Triple Crown Victory a Possibility

By BRUCE SCHREINER

LOUISVILLE, Ky. (AP)— Steve Cauthen's respect for Charismatic grows with each victory. Just don't put him in the same league as Affirmed, the one-time teen riding sensation says.

Charismatic, the Kentucky Derby and Preakness winner, can catch Affirmed as a Triple Crown winner by taking the Belmont.

But Cauthen insists that Affirmed remains in a class by himself.

"I don't compare any horses to Affirmed because I think Affirmed was the best," said Cauthen, who as an 18-year-old rode the chestnut horse to thrilling Triple Crown victories over archrival Alydar in 1978.

Boldon Breezes to 100 Win

Boldon, the world's fastest man last year at both 100 and 200 meters, ran a relatively slow 10.15, but it was enough for an easy victory at the chilly Adidas Oregon Track Classic.

"My coach told me today that if I was clear early, to just stop, basically," Boldon said, as usual carrying the flags of team HSI and his native Trinidad & Tobago. "I prefer to have a good race in the elements than come up here and run 9.9 and be hurt for the next month."

He said his next three races will be in Stuttgart, Germany; Finland and Athens. There, he will take on rival Frankie Fredericks of Namibia.

The Oregon Classic was the first in a five-event Golden Spike Tour, created by USA Track and Field to drum up more American interest in the sport. The series continues next week in St. Louis and ends with the national championships in Eugene, Ore., June 24-27.

No horse has won the Triple Crown since, but Cauthen says he'll root for Charismatic when the colt takes the track at Belmont on June 5.

Cauthen praised jockey Chris Antley for his handling of Charismatic in the Derby and Preakness. He said all the attention before the Belmont and a possible Triple Crown can also be a jarring ride for a jockey.

"I'm sure he'll give him a good ride in the Belmont," Cauthen said. "I just know that the next three weeks are going to be awful tense

for him. It's a long three weeks. "I'm sure once he gets on the horse on Belmont day, he'll be glad that he's ready to fire it and take his chance."

Charismatic is the seventh horse to complete the Derby-Preakness double since Affirmed. The other six colts came up short in the Belmont—including Silver Charm in 1997 and Real Quiet in 1998.

"It's a tough thing to pull off," Cauthen said. "A horse has to be at 100 percent each time and you just can't afford anything to go wrong in between."

Roberts Faulters But Doesn't Fall

IRVING, Texas (Reuters) - For the second time this year, Steve Pate missed his chance at victory on the final hole.

In January, Pate watched David Duval shoot a final-round 59 at the Bob Hope Classic and lost by one stroke. Sunday, it was Loren Roberts who parred the first playoff hole to defeat Pate and win the \$3 million Byron Nelson Classic.

Pate hit his second shot into the right bunker on the par-4, 440-yard 18th, the first playoff hole. He blasted out within 20 feet of the pin and his par attempt slid right of the hole.

Roberts landed his second shot in a bunker on the opposite side of the green. But his third shot fell two feet from the hole and he nailed it, securing his sixth career win—first since the 1997 CVS Charity Classic—and a first prize of \$540,000.

Roberts and Pate both broke the tournament record by one shot with a 72-hole total of 18-under-par 262. Despite a double-bogey on No. 14, Roberts fired a 68 at the TPC at Las Colinas.

Pate, who carded a 66 Sunday, had a chance to force a playoff with Duval at the Bob Hope Classic but missed a 15-foot birdie putt at the finishing hole.

Spain's Sergio Garcia, the low amateur at the Masters, closed his professional debut on American soil with a 69 Sunday and finished tied for third at 11-under 269, along with reigning U.S. Open champion Lee Janzen, Brian Watts and Chris DiMarco.

Tiger Woods, the 1997 champion, and Emlyn Aubrey ended up nine shots back at 9-under 271 after both shot 69s.

The TPC at Las Colinas is a par-70, 6,899-yard layout.
