Announcement of Request for Proposals

for a Contracting Assistance Services Consultant

Sealed proposals will be received at the Portland Community College (PCC) Procurement Office, Capital Center, Room 1513, 18624 NW Walker Road, Beaverton, OR 97006, until 2:00 PM, Monday, June 4, 1999, for a Contracting Assistance Services Consultant to focus on and provide contracting assistance services to primarily Minority-owned, Women-owned and Emerging Small Business (M/W/ESB) firms seeking materials, goods, and services (both trade and personal/professional) contracts and possibly even subcontracts with PCC.

It is in the best interest of PCC and the community to do business with M/W/ESB firms resulting in increased competition and a stronger local economy. In that respect, PCC desires to maximize the possible opportunities for vendors, primarily M/W/ESB firms, to compete for and participate in the College's contracting and subcontracting activities. To facilitate this, PCC requires the services of a Consultant or team of Consultants to provide various contracting assistance services to firms that may be either solicited by the Consultant or that request services from them.

In order to be considered for selection, three (3) copies of your proposal must arrive at the issuing office on or before the due time and date, with the original copy clearly marked "Original Copy—Contracting Assistance Services Consultant", and signed by a corporate officer authorized to do so. PCC will require fifteen (15) days from the due date for review and evaluation of proposals.

No consultant may withdraw his/her proposal after the hour set for the opening thereof, before award of Agreement, unless award is delayed for a period of sixty (60) days from the proposal date.

Each proposal must contain a statement as to whether the consultant is a resident contractor, as defined in ORS 279.029.

M/W/ESB firms themselves will be afforded full opportunity to submit proposals in response to this solicitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award of any contract entered into pursuant to this advertisement.

The College Board of Directors and its officers are committed to encouraging that women and members of ethnic minority groups are represented and employed in the College's contracts.

The College may reject any proposals not in compliance with the prescribed public bidding procedures and requirements, and may reject for good cause any and all proposals upon a finding of the College that it is in the public interest to do so.
