

FATHER'S DAY

Jamaica  
and  
Malcolm

Jamaica and Malcolm are very sweet, loveable children with endearing personalities. Jamaica's eyes light up when she smiles, and may surprise a new friend with a soft kiss on the cheek. Malcolm is a delightful little boy, and has a charming, easygoing temperament. He loves being played with one-on-one, and giggles and interacts easily. Because of his developmental delays, Malcolm benefits from manual play and constant stimulation and instruction. Families will need to commit to a high level of care and commitment to these children, at least up front, to ease and control some of their issues. It may also be helpful for Jamaica and Malcolm to be the youngest or only children in a family. For more information on how to adopt these or any other children, please call 1-800-331-0503 or Judy Orellana at 503/731-3075 ext. 405.

Jamaica (above) and Malcolm (right) are maternal 1/2 siblings in need of an adoptive home. They came into care due to their mother's inability to care for them due to substance abuse.

HOROSCOPES

**ARIES**

March 21 - April 20

Opt for a low key approach towards just about everything this week. Those surrounding you will tend to be both uncooperative and unpredictable, so it may be difficult to stay calm and in control. Your good spirits and self assurance are quite contagious.

**TAURUS**

April 21 - May 21

You and someone close to you may be very much at odds during the week - be patient and work things out. Whether on the job or in your social life, the pace quickens and you're apt to be incredibly busy. Your home life is also picking up momentum so plan your time.

**GEMINI**

May 22 - June 21

Counterproductive influences are at work so you will need to get down to business concerning your immediate career plans and ultimate goals. It's time to lie low and recharge your energies. A delightful romantic interlude will influence your outlook.

**CANCER**

June 22 - July 23

An insecure person in your inner circle can benefit from your support this week. And while you are giving good advice, you may realize the advice is very much applicable to one of your own problems. With conflict at home, work out a solution to please everyone.

**LEO**

July 24 - August 23

Whether or not you are enjoying a change of scene this week, a romantic

encounter will set your spirits soaring. Pleasant times will be spent at home and with the family, and there is a definite possibility of overdoing and overindulging in the evenings.

**VIRGO**

August 24 - September 23

Don't be surprised if you have second thoughts about some matter you had thought was definitely settled. After reviewing it, you may find room for improvement. Be flexible concerning social plans for scheduled events might have to be postponed. Alternate plans will be more enjoyable.

**LIBRA**

September 24 - October 23

This will be a creative week for you, even though your energies will be subdued. Your personality will blossom under any pressures and you get the feeling that any problems you have will be over soon and gone. Recklessness may mean overspending your budget.

**SCORPIO**

October 24 - November 23

Your week's plans may need alterations because of a financial development, or perhaps a misunderstanding somewhere along the line. Your workday routine may be aggravated and could be a continuance from a former problem which still exists. Put everything in perspective.

**SAGITTARIUS**

November 23 - December 21

Don't rely on too much cooperation this week from those around you, who are probably just as stressed out as you are. Stimulating ideas just might arise

from quiet and seemingly boring times. Your finances are definitely on an upswing, but don't overspend.

**CAPRICORN**

December 22 - January 20

This is not the week for taking risks or speculating, and if a long term debt is inevitable, check out all the facts first, before signing anything. A friendship or romance may be a bit rocky right now, try not to force issues, and avoid being outspoken to others.

**AQUARIUS**

January 21 - February 19

Optimism abounds during the week, but don't allow this high feeling to prompt extravagance or carelessness where your given responsibilities are concerned. You may be caught in the middle of a job dispute, find out which priority dominates your actions.

**PISCES**

February 20 - March 20

Verbalizing your feelings to someone close could be the best way to clear the air, provided tact is used. Creativity flourishes this week, but make sure to be superpractical in all financial dealings. Take a good and honest look at a love relationship - is it real?

**IF THIS WEEK IS YOUR BIRTHDAY**

You and a lover may share a meeting of the minds, and all those deep discussions will bring you closer together. Now you can connect with a soul mate whose values will reflect yours on all levels. New influences will create a liberating effect on you.

Teala

Teala is artistic and very creative. Anxious to please, Teala needs adults who can help her understand perfection is impossible and love is forthcoming even when mistakes are made. She is outgoing and social with adults and older children but impatient with younger children.

Teala is a very good student and proud of her accomplishments. She is most successful when she has a set time and routine for completing her homework.

Single adults as well as couples are encouraged to call to consider adoption. Oregon agencies waive or reduce fees for the adoption of children like Teala who are in state custody. To learn more about Oregon's adoption program and the children awaiting homes, call the Special Needs Adoption Coalition at The Boys and Girls Aid Society, 1-800-342-6688 or 503/222-9661.
