PROPOSED STATE CORRECTIONAL FACILITY SITE
PUBLIC NOTICE OF PROPOSED SITE
 Pursuant to B-Engrossed Senate Bill 686 which was adopted by the Legislature in 1999 and signed by the Governor on August 20, 1999

OREGON PRISON SITES
 On August 20, 1999, Governor Kitzhaber issued Executive Order No. 99-12 initiating the siting process defined in B-Engrossed Senate Bill 686 (SB 686) for the siting of a Women's Prison and Men's and Women's Intake Center Complex.

SITING PROCESS
 Under SB 686, the Oregon Department of Corrections must propose a site for a Women's Prison and Men's/Women's Intake Center Complex. On August 24, 1999, the Director of the Oregon Department of Corrections proposed the Day Road site as the location for the Complex and issued an Initial Report on the proposed site. The site is located at the intersection of Day Road and Graham's Ferry Road in unincorporated Washington County, northwest of Wilsonville and southwest of Tualatin and is within the proposed Urban Reserve #42.
 The Department will conduct an informal informational meeting that will be open to the public, and will hold a separate public hearing on the proposed Day Road site. The Department will then prepare a Final Report to the Governor on the proposed Day Road site, and the Governor will make a final decision on acceptance of the proposed site.

INFORMATIONAL MEETING
 The Department will host an informal informational meeting on September 8, 1999, from 6:00 - 8:00 p.m., at the Holiday Inn in Wilsonville (just off Interstate 5 at the Stafford Road exit). No testimony will be taken at this meeting.

PUBLIC HEARING
 The Department will hold a Public Hearing on September 9, 1999, at the Holiday Inn. The hearing will begin at 4:00 p.m. and conclude at 8:00 p.m. Oral and written testimony will be accepted during the public hearing. Written testimony may be submitted directly to the Department by mail or fax. Testimony must be received no later than 5:00 p.m. on September 10, 1999, at which time the hearing record will be closed. Testimony received after the deadline can not be accepted.

CONDITIONS FOR SITING
 SB 686 provides that any affected local government or any person may submit proposed conditions to the Director of the Department of Corrections. Conditions must be submitted on or before September 2, 1999 (seven days prior to the hearing), or postmarked by this date. Conditions may also be faxed or delivered, and must be received by 5:00 p.m. on September 2, 1999.
 The following are requirements for conditions to be considered:
 • Each condition must be stated separately;
 • Each condition must be in writing;
 • Each condition must be specific;
 • Each condition must relate to the site and the criteria described in section 3 (1) of SB 686;
 • Each condition must be supported by a statement of the need or reasons for the condition.

MAIL, FAX, OR DELIVER CONDITIONS FOR SITING AND/OR WRITTEN HEARING TESTIMONY TO:
Siting Office - Department of Corrections
 Attn: Siting Office
 1793 13th Street S.E.
 Salem, Oregon 97302-2595
 Fax: 503-378-6536
 For questions on conditions submission or testimony submission, or to receive a copy of SB686 or the Initial Report call: 503-373-1572, ext. 7102 or 7105
 Copies of SB686 and the Department's Initial Report are also available in Wilsonville at city hall and the city library, and in Tualatin at city hall.
 Additional information regarding this prison siting process is available on the internet at <http://www.doc.state.or.us/public/siting.htm>

The power to question. To imagine. To create. It comes from within.

If you look deep enough, you'll find the drive to accomplish anything. At LSI Logic, those aren't just words on paper. They're the cornerstone of our success. Today, you'll find our ASICs and system-on-a-chip solutions inside some of the hottest products around—from high-performance workstations to networking cores and digital wireless devices. And tomorrow? We'll reach deeper and build even better technology. By giving our people a chance to find the best within themselves.

Our newest state-of-the-art manufacturing facility here in **Gresham** is totally dedicated to new submicron technology. This critical addition perfectly augments our advanced, high-capacity manufacturing facilities in Japan and California. And there's still room for you. We invite you to join us at our Career Fair, where hiring managers will be onsite, conducting immediate interviews for the following opportunities:

Wafer Fab Operator/Technician (day and night positions available)
Production Supervisor • Product/Device Engineer
Yield Technician • Failure Analysis Engineer • VB Developer
CAD/CAE Software Engineer • Equipment Technicians
Thin Films Equipment Engineer • Test Engineers
Instrumentation and Controls Technician

See our Web site for more details on the above positions at:
www.powerwithin.com

LSI LOGIC CAREER FAIR!
Sunday, September 12th, 8 am-6 pm
