On Saturday, July 10, 1999, at about 1 o'clock in the morning, three Asian males were told to leave after being involved in an altercation with security at Doc's Tavern, located at 3000 SE Powell Boulevard. Approximately one hour later, two of the individuals returned and opened fire at two security guards in the parking lot. One of the guards was shot and killed, and a tavern employee who was seated in a car in the parking lot was wounded.

Suspect #1 is described as an Asian male, 20 to 25 years of age, 5'5" to 5'7" tall, thin build, with short hair and long bangs over his forehead, and a cut hand or finger. At the time he was wearing a blood smeared T-shirt, khaki pants and a gold colored wristwatch.

Suspect #2 is described as an Asian male, 20 to 25 years of age, 5'5" to 5'7" tall, thin build, wearing a white shirt and dark pants.

Arson At Golf Course

On September 28th, 1999 at approximately 4:35 a.m. a fire was started, under suspicious circumstances, at the Hound Hollow Golf Course (23010 W. Arata RD) in east Multnomah County. The fire caused over \$150,000 in damage to the golf facility.

A unique women's golf bag, golf club covers, a pop can, baseball bat and a "ball shag" were located near where the fire began. The Gresham

fire investigators office has determined that the fire was set under "suspicious circumstances" and that an accelerant was used to ignite a building. Two people were seen riding bikes westbound on Arata from the scene shortly after fire fighters arrived.

The items located near the source of the fire are available for photographing by the media and may reveal the identity of person or persons who

may have knowledge of the incident or of persons involved in the incident.

The Multnomah County Sheriff's office is asking the public's help in this Arson case at the golf course. Anyone who may have information about the incident, the golf equipment involved or who may have seen anything near the golf course at 4:30 a.m. on the 28th of September is encouraged to call Sheriff's detectives at 251-2471.
