## The number one name in trucks is hiring on all cylinders.

You probably already know about Freightliner's excellent reputation when it comes to custom trucks, but did you know it applies to our careers? As we add new companies and divisions to the Freightliner family, extraordinary opportunities are being created for talented professionals to make an immediate impact. As a result of our continuing growth, we have professional and technical employment opportunities available at our Corporate Headquarters and Truck Manufacturing Plant in Portland, Oregon.

Web Developer (Publishing Systems Analyst)

In this position, you will be responsible for the development and maintenance of functional elements of database and workflow systems for document delivery via print-ondemand and the Internet. This position requires a Bachelor's degree in Computer Science or Business with experience and knowledge of SUN Solaris, AIX and Windows operating system environments. You must also have knowledge and experience with SGML, XML, HTML, Java, JavaScript and VB script; familiarity with UNIX scripting; and competency with MS Word, Excel, SQL Server and Access databases. You will need technical expertise working with online-based programming, products and services, particularly web-based database applications and a basic understanding of web server components, security and relational database design. The ability to work as a team player and provide customer service to all levels of the organization is a must. Your cover letter must indicate job number 20341-PO.

#### **Heavy Truck Technical Support** 5 positions

We are seeking truck or automotive service technicians with experience in field technical inquires from dealers and customers in the U.S., Canada and Mexico. In this position, you will assist with the resolution of problems related to the continued operation of Freightliner and Sterling vehicles. You will resolve problems related to breakdown assistance, customer concerns, parts interpretation and warranty. To qualify, you will need technical knowledge of heavyduty trucks, components, vehicle systems and dealership/fleet/end customer environments. Good keyboard/computer experience, strong communication skills and customer service skills are necessary. The center operates in a 24 hour, 7 day a week environment. Indicate

If you are qualified and wish to be considered, please indicate the job number and mail your scannable resume and cover letter to: Freightliner Corporation, Haystack Systems, 89 Davis Road, Suite 160, Orinda, CA 94563 or e-mail: ftlcorp@haystee.com or fax 1-800-785-3617.

As an industry leader, we offer a competitive compensation and benefits package and an exciting work environment. To hear more about our full listing of job opportunities, call our job hotline at (888) 587-6753 or visit our web site at www.freightliner.com. We are an equal opportunity
