Notice Of Opportunity For Public Hearing

Notice is hereby given that a public hearing will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) in Mezzanine Rooms 3 and 4 (Second Floor), Two World Trade Center, 121 S.W. Salmon, Portland at 8:00 - 10:00 AM on Wednesday, December 8th, 1999. The purpose of this hearing is to invite participation in a community-wide public forum to discuss the allocation of new state funding for elderly and disabled transportation services.

The purpose of the forum is to receive public and community comment on how to best allocate new state funding for elderly and disabled transportation services in the Portland metropolitan area.

The 1999 Oregon Legislature approved expanded funding for elderly and disabled transportation services. A portion of the new funds will be allocated to Tri-Met and the greater Portland area. Over the next two years, the region could receive up to approximately \$7 million in capital and operating funds to improve and expand elderly and disabled transportation services.

The Elderly and Disabled Transportation Forum is being held to receive public and community comments on the expenditure of these new state funds and on the need for additional elderly and disabled transit services. Tri-Met invites the public, agency representatives, community and social service providers and others interested in elderly and disabled transportation issues and services to attend and participate on the forum. All are welcome. A person requesting a sign language interpreter shall give Tri-Met at least 48 hours notice of the request by contacting Tri-Met at 962-4831 or TDD 962-5811, Monday through Friday, 8:00 AM to 5:00 PM. Please call Bernie Bottomly at (503) 962-4890 for additional information or send e-mails to Bottomlb@tri-met.org. Written request may be sent to Tri-Met, Government Affairs, 4012 S.E. 17th Avenue, Portland, OR 97202.

Oregon State University Athletic Complex Addition Request for Qualifications

Oregon State University is seeking qualifications from architectural firms interested in providing master planning and design through construction phase services for the OSU Athletic Complex Addition. Oregon State University (OSU) is preparing to add a new field house, softball stadium, and auxiliary gym annex to Gill Coliseum on the OSU Campus. The phased development program will begin with the construction of the field house and softball stadium. The annex to Gill will occur once appropriate funding is in place.

The proposed 85,000 square foot field house will provide indoor practice space for seven sports teams. The teams include football, baseball, softball, men's and women's golf, and men's and women's soccer. The new 500-750 seat softball stadium is envisioned to include locker rooms for the softball team as well as men's and women's soccer teams, concessions, ticketing and changing rooms for officials. The annex to Gill Coliseum is to be adjacent to, and function integrally with, Gill. The proposed 46,000 square foot addition will include new courts for basketball and volleyball with seating for 1,500-2,000, locker rooms, administrative offices, weight training space, medical training room, wrestling room and academic space. Some minor renovation of Gill will be required to ensure that circulation and code issues are addressed adequately for the entire complex. Gill Coliseum must remain fully operational throughout construction.

The qualification responses will be used to develop a "short list" of three to five firms who will be invited to prepare proposals and participate in an interview.

Interested firms should contact Lori Fulton, University Architect, OSU Facilities Services, 100 Adams Hall, Corvallis, Oregon 97331-2001, or at Fax (541) 737-3724, to obtain a copy of the Request for Qualifications (RFQ). Responses to the RFQ will be due by 5PM, Thursday, December 2, 1999. No responses will be accepted after the specified date and time. Responses may be rejected for non-compliance with all response requirements and procedures, or for good cause upon a finding that it is in the interest of OSU to do so.
