

HOROSCOPES

YOUR WEEKLY HOROSCOPE: BY MISS ANNA

ARIES: (March 21-April 20)

Use all of the resources available to you. A family argument may take some extra attention to straighten out, with no serious fallouts. You may need to make some choices - between spending more quality time with family and friends, or advancing at work.

TAURUS: (April 21 - May 21)

There seems to be some apparent conflict, but it is of a healthy variety, and may yield some unexpected benefits in the form of totally new approaches to routine situations. Don't make hasty decisions regarding financial matters until you know the whole story.

GEMINI: (May 22 - June 21)

You and your significant other may make a wonderful connection and the sense that you are growing closer will bring both of you joy. Success will be yours, even if it is of a low-key nature. You know you've made great strides, and soon the right people will notice.

CANCER: (June 22 - July 23)

Try to take it easy this week. You have been going at a frantic pace, and it will start to catch up with you. Decisions made hastily may be flawed, so put off action until you have all the facts. Treat yourself to something special, and maybe something a little frivolous.

LEO: (July 24- August 23)

You will get ahead by working hard. Nothing less than your reputation is at stake, but no need to worry since your work is usually above reproach. Expect a little bit of a delay, because soon you'll be riding on the crest of success. The spotlight is yours, you deserve it.

VIRGO: (August 24 - September 23)

Prosperity is an issue, so instead of whining, take action. Work a little harder and you'll be surprised at the financial results. A surge of inspiration will enable you to get through any potentially rough situations - clear all avenues of communication.

LIBRA: (September 24 - October 23)

Use your clout to get some new and different changes off the ground at work. Friends and co-workers can really come in handy now. You're working for no less than the greater good of all involved - remember this. Don't be taken in by careless flirting with someone new.

SCORPIO: (October 24 - November 22)

Keeping your nose to the grindstone is admirable to a point, but you might make a better impression with superiors if your approach is more balanced. Learn to give some responsibilities to others if you are interested in a management position.

SAGITTARIUS: (November 23 - December 21)

You tend to keep your emotional distress to yourself, and this might not be for the best. Allow someone close to penetrate your defenses. Your beauty comes from within, and creates a glow that is obvious to others around you. Make plans carefully to assure a positive outcome.

CAPRICORN: (December 22 - January 20)

A little contemplation will get your week off on a calm and clear path. You are pleased with the results up until now, but do want to improve your work. Allow troublesome obstacles to dissolve themselves. You can't hasten this process by hovering and worrying needlessly.

AQUARIUS: (January 21 - February 19)

Is your current relationship a little unbalanced? If so, playing the role too faithfully can bring resentment and boredom. Maybe a planned weekend pleasure trip is just what the doctor ordered. One or both of you may need to learn something new. Make peace with inevitable changes.

PISCES: (February 20 - March 20)

When working on your financial plan for the future, avoid putting all your eggs in one basket. Anything which looks definite may not be beneficial in the end. Diversify investments and don't expect to get rich overnight. Any health problems are probably from neglect.

YOUR BIRTHDAY: Catch up on

...with others who have your birthday. ...

Conspirators from page 7

and what "THEY" have planned for our future, how "THEY" have been at war with the American nation for 50 years, a war which we are on the brink of losing, what methods "THEY" use and exactly how "THEY" have brainwashed us. If you are PUZZLED AND PERPLEXED as to why things are occurring that we as a nation don't like yet seem powerless to prevent,

why it is that the United States always seems to back the wrong horse, WHY THE UNITED STATES IS IN A DEPRESSION FROM WHICH IT WILL NOT EMERGE, why our former social and moral values have been turned aside and seemingly buried; if you are confused by the many conspiracy theories, THE CONSPIRATORS' HIERARCHY: THE

COMMITTEE OF 300 will clearly establish that these conditions have been deliberately created to bring us to our knees.

Once you have read the applying truths contained in this book, understanding past and present political, economic, social and religious events will no longer be a problem. This powerful account of the forces ranged against the United States, and indeed the entire free world, cannot be ignored.
