Engineering Services, one of the nation's most respected consultants to the railroad and rail transit industries, is currently accepting resumes from experienced engineers for the position of: **Rail Vehicle Maintenance Facility Engineer**
Qualifications include a BS or BT degree in engineering architecture or related field and 10 years experience with increasing levels of responsibility. Experience should include all phases of design and construction management of rail transit operations and maintenance facilities; experience in bus maintenance facility design may also be considered as facility design may also be considered as partially satisfying this requirement. The successful applicant must have a strong background in rail vehicle design, systems integration, industrial engineering and maintenance. Candidates must be skilled in construction cost estimating and scheduling. CAD capability and project management experience are desirable. Candidate must also possess excellent written and oral communications skills and be willing to relocate. The position is located in the Pacific Northwest; some travel is required. PE registration is desirable, but not essential.

LTK is an Equal Opportunity Employer, offering attractive professional opportunities and competitive compensation and benefits packages. Qualified individuals are encouraged to submit details to: LTK Engineering Services, Attn: Human Resources Administrator, 100 W. Bulter Avenue, Ambler, PA 19002, Phone (215) 542-0700; Fax (215) 542-7676; e-mail: pmurray@ltk.com.

General 235

Park Ranger-Seasonal \$9.00/Hour

Portland Parks and Recreation seeks individuals to serve as seasonal park rangers from May 15 - October 15, 2000. Primary responsibilities are to act as a positive presence, explain and enforce park rules, work closely with police, park neighbors and park staff to insure safe and enjoyable parks, and provide information about park programs to citizens. Experience in conflict resolution, public contact, problem solving, security, recreation, or emergency services preferred. Work is performed outdoors in all types of weather and requires extensive walking. Although training is provided, applicants must pass a background check and driving record review, and have the ability to obtain CPR and First Aid certification to be considered for final hire. Applications are available at Portland Parks, 1120 SW 5th Avenue, Room 1302, or by calling (503) 823-2223. The City is an equal employment opportunity employer. Women and minorities are encouraged to apply. Application Deadline: 4:30 p.m., Friday, April 7, 2000.

Transportation

Work for One Tough Mother! Columbia Sportswear Company has proven that quality construction, engineering and innovation in sports apparel is a formula for success. Join our Legal Department in the following position:

Director Of Corporate Logistics Plans, directs, and controls all global logistics and transportation operations. Ensures that Columbia Sportswear's supply chain needs are met and maintained without interruption. Oversees Columbia Sportswear's custom's functions by monitoring compliance with all trade laws and restrictions. Directs global contract logistics and transportation operations including ocean freight, airfreight, trucking, outbound distribution, and third party operations. Oversees procurement, contracting, evaluating, and management relationships with logistics and transportation providers. Directs negotiations and gives final approval on all logistics' vendor contracts. Meets with business partners to determine global logistics needs and creates corporate logistics' strategy to meet short and long term goals. Actively participates as a senior level manager in providing direction on the use of third party logistics and transportation programs to manage the supply chain. Develops global logistics business plans that support local and global regions and meet established goals. Plans and manages global logistics expenditures. Directs management staff to ensure business plan is followed and goals are achieved. Oversees customs' functions by providing direction to division staff, developing and executing a strategy for monitoring and complying with all trade laws and restrictions, and working with staff to resolve problems and be a positive resource to the company. Oversees the international and domestic transportation divisions by directing negotiations, approving final contracts, and providing support and direction to transportation staff. Actively participates in the development and implementation of systems, processes, and procedures designed to improve the supply chain with emphasis on quality, integrity, and efficiency.

Requirements: Bachelor's or advanced degree in logistics, economics or related field or experience equivalent to degree with minimum 10 years logistics/transportation experience; 7 years in the international arena. Multi-level, broad range experiences including bid process management, needs assessment, infrastructure assessment, warehousing, consolidation, customs, shipping, and distribution. Complete understanding of inbound and outbound product flows and experience in production planning and sales operations. Extensive negotiation experience required as well as several years managing staff. Expatriate experience desirable.

Columbia Sportswear offers competitive compensation and a great benefits package. Please send resume and salary requirements to Human Resources, Dept. DCL, PO Box 83239, Portland, OR 97283 or FAX to (503) 735-4597, or email to jamie_millhorn@ccmail.columbia.com. Equal Opportunity Employer.
