NW Natural®

NW Natural (formerly NW Natural Gas) is recruiting for a Market Research Analyst that will support company-wide market intelligence collection and activities, including, but not limited to, customer satisfaction data, marketing and geographic information, market planning and segmentation, stand-alone-market research and tracking studies and gas load research. Position requires knowledge of marketing concepts, theories and approaches, including customer-driven data analysis, marketing plans, finance and economics. This knowledge may typically be acquired through 2+ year of market research/analysis experience and/or applicable college-level training/degree with a marketing/economics or statistical emphasis. Advanced computer/PC skill; primarily spreadsheet, data base and graphics applications are essential. Demonstrated skill and ability to produce effective written communication, including report writing and statistical documentation for a variety of user groups are a must. Knowledge of natural gas equipment and its applications, supply conditions, competitive advantages and availability is preferred. Applicant must possess/maintain a valid Oregon/Washington Driver's License and a satisfactory driving record.
