REQUEST FOR PROPOSAL

STRATEGY DEVELOPMENT OF INCREASING THE RECYCLING AND SALVAGE OF CONSTRUCTION AND DEMOLITION DEBRIS

The Regional Environmental Management Department (REM) of Metro, a metropolitan service district organized under the laws of the State of Oregon, and the 1992 Metro Charter, located at 600 NE Grand Avenue, Portland, Oregon 97232-2736, is requesting proposals to investigate what long term outreach strategies, tactics, and implementation plans will be effective at increasing source separated recycling and salvage/deconstruction at construction and demolition sites.

Metro is the regional governments responsible for coordinating the region's solid waste and recycling system. This includes the development of a regional solid waste plan, implementing waste reduction programs and providing technical assistance to local governments and others on waste reduction strategies. Metro is also responsible for disposal of solid waste generated within its boundaries. City and county local governments are responsible for licensing or franchising of solid waste collection within their jurisdiction. Local jurisdictions also ensure that households and businesses are provided with recycling and other waste reduction services. Proposals will be received at the reception desk of REM, Attention Bryce Jacobson, 600 NE Grand Avenue, Portland, Oregon 97232. Until 4:00PM PDT on Friday, July 14, 2000. Details concerning the project are contained in the request for proposal (RFP). Copies of the RFP and background documents may be obtained by contacting Regional Environmental Management at (503) 797-1650.

Proposals must conform to the RFP format and be complete including the use of any forms. Metro may accept or reject any or all proposals, in whole or in part, or waive irregularities not affecting substantial right if such action is deemed in the public interest.

Metro and its contractors will not discriminate against any person(s) based on race, color, national origin, sex, sexual orientation, age, religion, physical handicap, political affiliation, or marital status.

Metro extends equal opportunity to all person(s) and specifically encourages minority and women-owned businesses to access and participate in this and all Metro Projects, programs, and services.

CALL FOR BIDS

**2000 TERMINAL RAMP AND A6 JET BRIDGE REHABILITATION
EUGENE AIRPORT
Eugene, Oregon
AIP NO. 3-41-00118-25
Project No. 3753**
