Pure dedication.

As a worldwide market leader in epitaxial silicon wafers, we owe our success to our dedicated team of employees. That's why we've created a people-oriented, supportive environment that encourages and rewards personal development and achievement. And one in which our employees find ample opportunity for advancement, education and training. In return, our employees have delivered, developing high quality silicon wafers that are acclaimed throughout the world. Take this opportunity to join our dedicated, talented team in NW Portland.

Experienced Production Operators

Primary responsibilities will be to operate production equipment to produce high-quality ultra-pure silicon wafers in accordance with customer specifications. Successful candidates must possess skills and abilities sufficient to resolve manufacturing issues and setups. These include equipment setups, process troubleshooting, and general problem solving in daily manufacturing activities. Must be able to assist in continuous improvements with the equipment, processes and yields. Requires a minimum of High School diploma or equivalent and a minimum of one-year experience in related silicon (ingot growing experience highly desired), semiconductor or other high volume/high precision advanced manufacturing environment. In addition, candidates must possess the following knowledge and abilities: equipment and chemical safety, Statistical Process Control methods, clean room protocol, water handling, computer literacy, be able to lift routinely 40 pounds, and have effective verbal and written communication skills. Ref #9-013 EOP/POB

Entry-Level Production Operators

Primary responsibilities will be to operate production equipment to produce high-quality ultra-pure silicon wafers in accordance with customer specifications. Successful candidates must possess skills and abilities sufficient to learn manufacturing issues and setups. These include equipment setups, process troubleshooting, and general problem solving in daily manufacturing activities. Requires a High School diploma, or equivalent, with emphasis on basic math, reading and communications abilities and demonstrated professional work skills as evidenced by a minimum of one continuous year of successful work experience at a single company. In addition, ability to stand 75% of a 12-hour work shift and routinely lift 40 pounds is also required. Training will be provided in job functions. Ref #9-013 ELO/POB
