Active Parenting of Teens, Parents Guide

by **Michael H. Popkin, Ph.D.**
Active Parenting Publishers, Inc.

Why is parenting teenagers more difficult today than ever before? Dr. Michael Popkin sheds light on the immense pressures today's parents and teens face and what parents need to know to help their teens survive and thrive in the 21st century. More than two million parents have used his "active" approach to help their families become happier and more productive together.

This Parent's Guide provides concrete steps for effectively handling family problems through clear, honest communication and respectful discipline. Special attention is given to today's problems of teen drug use, sexuality, and violence, providing parents with clear prevention guidelines.

This book provides hope and help for enjoying the teen years as a family!

The Active Parenting method—which emphasizes open communication and democratic parenting—has been used by millions of parents to raise confident, cooperative children. This guide provides parents with the skills they need to communicate effectively with their teens, encourage better behavior, use positive discipline techniques and teach responsibility. Addresses today's critical teen issues, including drugs, violence, alcohol and sexuality.

How to Talk So Kids Will Listen and Listen So Kids Will Talk is an excellent communication tool kit based on a series of workshops developed by Adele Faber and Elaine Mazlish. Faber and Mazlish (coauthors of *Siblings Without Rivalry*) provide a step-by-step approach to improving relationships in *your* house. The "Reminder" pages, helpful cartoon illustrations, and excellent exercises will improve your ability as a parent to talk and problem-solve with your children. The book can be used alone or in parenting groups, and the solid tools provided are appropriate for kids of all ages.

The ideas are simple and effective. They build self-esteem and keep the avenues of communication open between parent and child.
