The Miracle Worker

Eight-year-old Hallie Kate Eisenberg and Alison Elliott star as the legendary Helen Keller and her teacher, Annie Sullivan, in a re-telling of the touching, timeless story of triumph born of tragedy, "The Miracle Worker." The movie, which is based on the Tony Award-winning play of the same title by William Gibson, will air as a presentation of "The Wonderful World of Disney," Sunday, Nov. 12, on the ABC Television Network.

In this compelling story of unconditional love and perseverance, the Kellers of Tuscomb, Alabama, are a family in crisis. Their eight-year-old daughter Helen has been blind, deaf and mute since she was 18 months old, and her most consistent form of communication is to grab, tear and scratch violently at anything, or anyone handy. Captain and Kate Keller feel such tremendous love and pity for Helen that they indulge her every whim. The result is that they have lost any semblance of peace in their home and son James bitterly resents how much attention is lavished on his half-sister. The Kellers make one last attempt to find a solution to their daunting problem. The Perkins School for the Blind in Boston offers to send one

of their best students, Annie Sullivan, a recent graduate, to the Keller household to be Helen's live-in teacher in 1887. Annie, herself the product of an arduous childhood, also suffers from failing eyesight.

Sullivan immediately, and sternly, tries to teach Helen manners and to use finger spelling - sign language letters done against the palm of her hand - as a true language.

Annie's determination leads Helen

to a climactic breakthrough that allows her to discover the world through the eyes and ears of others. Growing into one of the most extraordinary women of any time, Helen served as an international leader for the disabled, with the assistance of the lifelong friendship and support of her teacher and mentor, Annie Sullivan, whose groundbreaking techniques for teaching deaf and blind people are still being used today.
