Public Notice

The Workforce Development Community Contributions Committee (Committee) is beginning a procurement process for quality workforce training services for Enterprise Zone residents. The City Council has designated the Committee to allocate Enterprise Zone Community Contribution Workforce Development funds. The seven member Committee will review and select proposals for funding. The Committee is composed of three N/NE Portland business persons, one N/NE Enterprise Zone company representative, one N/NE Economic Development Alliance Board representative, one NE One Stop Career Center representative, and one Mayor's Office representative.

The City Council designated worksystems inc. (WSI) as the administrator for these funds.

The City council requires N/NE Portland Enterprise Zone companies who receive property tax exemptions in excess of a certain size to contribute to a Community Contribution fund for the N/NE Community. 70% of the funds are designated for workforce training and development.

Approximately \$390,000 in Enterprise Zone Community Contribution Workforce Development funds will be available. Services are to be provided between July 1, 2001 and June 30, 2002. At their discretion, the Committee and WSI may extend contracts for services through June 30, 2004.

WSI and the Committee are seeking community-based organizations, educational institution, an/or businesses interested in providing services which will develop a better prepared workforce that is more responsive to employer needs.

Possible use of funds include:

- **Employment Preparation** includes basic skills training, general workplace skills training, and English as a Second Language for the workforce. Services should be tied to employer needs and employment retention.
- **Pre-employment Training** includes skills based training developed to meet the needs of Portland's targeted industries.
- **Employer New Hire Support Services** includes services that offer support to new hires to companies located or operating in the Enterprise Zone. Targets services critical to keeping employees in new jobs through the probationary period and into permanent positions.
- **Customized Workforce Training** includes skills based training designed to provide qualified employees to businesses providing services in the Enterprise Zone.
- **Job Skills Enhancement** includes training and retraining for working individuals who need additional specific skills to advance in the job market or retain their current positions.

Request for Proposal

The Request for Proposal (RFP) will be available on the WSI website <http://www.worksystems.org/contractor/contractorinfo.htm> on March 30, 2001. Replies to the RFP must be received by 5pm on April 30, 2001 via e-mail attachment or diskette only.

Bidder's Conference

The Bidder's Conference will be held on Thursday April 12, 2001 from 1:00 to 3:30 PM at the Oregon Association of Minority Entrepreneurs, 4134 N. Vancouver Ave., Portland, OR 97217. Organizations interested in competing for funding are strongly encouraged to attend.

Notification of Future Procurement

All WSI funding opportunities are listed at www.worksystems.org, under Contractor Information. If you want to be notified about funding opportunities, please email: lilianmick@worksystems.org and indicate you wish to be added to the procurement notification list. If you have additional questions regarding procurement, please call 503-241-4600.
