Deicing Stormwater System
Pump Stations And Piping
AIP No. 3-41-0048-40
Solicitation No. 01-036

Sealed bids for the Portland International Airport, Deicing Stormwater System, Pump Stations and Piping project will be received at the office of the Manager, Contracts and Procurement, of The Port of Portland, 121 N.W. Everett Street, 5th Floor, Portland, Oregon 97209, (503) 944-7593 (mailing address: Post Office Box 3529, Portland, Oregon 97208; fax (503) 944-7597) until, but not after, 11 a.m. on May 22, 2001, and thereafter publicly opened and read.

The work includes but is not limited to: Constructing six pump stations; installing approximately 11,000 feet of discharge piping that varies in size from 4 inches to 26 inches in diameter; constructing five CMU buildings (each approximately 22 feet wide and 26 feet long), complete with housing instrumentation, electrical equipment, and surge protection equipment; constructing a snow dump area (approximately 60 feet wide and 700 feet long); and providing electrical service and electronic controls.

Disadvantaged Business Enterprise (DBE) Program: Bidders are required to show that small subcontractors, suppliers, or manufacturers which have been specifically designated by the Oregon State Office of Minority, Women, and Emerging Small Business as a disadvantaged business enterprise ("DBE") will participate in not less than 10 percent of the total dollar amount bid. A prebid conference will be held at 9 a.m. April 24, 2001, at the Portland International Airport Maintenance Facility, 7111 N.E. Alderwood Road, Portland, Oregon, to discuss all phases of the work. Please direct technical questions to the Project Engineer, Dave Irvine, (503) 944-7346.

Bids must be on the bid form which will be provided to prospective bidders and must be accompanied by bid security made payable to The Port of Portland in an amount equal to at least 10 percent of the total amount bid.

In accordance with 49 CFR part, 26, Regulations of the U.S. Department of Transportation, bidders must submit a copy of the enclosed First Tier Subcontractor Bidding Report/Statement of Intent, DBE Utilization with their bid, showing the DBE firms the bidder has contacted and intends to subcontract work to. In accordance with ORS 279.027, bidders must submit a copy of the enclosed First Tier Subcontractor Bidding Report/Statement of Intent, DBE Utilization within four hours after bid opening, showing non-DBE, first-tier subcontractors the bidder intends to subcontract work to. Prequalification is not required for this work.

The drawings and the contract manual may be examined at Port offices. Copies may be obtained by prospective bidders at no cost from Contracts and Procurement (address above.). This is a federal aid contract, and all labor shall be paid no less than the minimum wage rates established by the U.S. Secretary of Labor, as included in the contract documents.

The labor and civil rights requirements in the Bid and the Supplementary Conditions apply to this work. The proposed Contract is under the subject of Executive Order 11246 on Nondiscrimination Under Federal Contracts, September 24, 1965, and as amended; and 49 CFR part 26, on Participation By Disadvantaged Business Enterprises in United State Department of Transportation programs, March 4, 1999, as revised.

Disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the basis of race, color, national origin, or sex in consideration for an award of any contract entered into pursuant to this advertisement.

Bidders are required to state whether or not the bidder is a resident bidder, as defined in ORS 279.029. (See the Instructions to Bidders.)

No bid will be received or considered unless the bidder is registered with the State of Oregon Construction Contractors Board, pursuant to ORS 701.055 (1), prior to submitting a bid. (See the Instructions to Bidders.)

The Contractor or a subcontractor need not be licensed for asbestos work under ORS 468A.720.

Bids may be rejected if not in compliance with bidding procedures and requirements. Any or all bids may be rejected if in the public interest to do so.
