**Cascade AIDS Project**

**In-Home Care Educator**

**Description:** Cascades AIDS Project (CAP), the leading HIV prevention, education, housing, advocacy and services organization in Oregon and Southwest Washington, seeks an organized, career-minded, caring individual to assist in the development and provision of training services in the In-Home Caregiver Training Program. The Educator will be responsible for assisting in the continued development and implementation of the program's goals of recruiting and training caregivers to work with persons living with HIV/AIDS.

zation in Oregon and Southwest Washington, seeks and experienced Social Worker for its PAL (Personal Active Listener) program. The PAL Social Worker matches volunteers with clients who have need of practical and emotional support, and will be responsible for program planning, development and implementation of PAL program services.

The Social Worker will provide Volunteer coordination, recruitment, training and supervision; client intake and assessments, goal plans and support service referrals (external and internal) for individuals and families living with HIV, many of whom also have substance abuse and/or mental health issues. Responsibilities include re-assessment of established volunteers and clients to better understand current goals and needs; maintaining community relationships and group facilitation.

The Educator will work closely with the Support Services Team, with area social service providers, respite care providers, institutions of higher learning and others in the successful implementation of this program. The Educator will conduct outreach throughout the service area; will develop recruitment and retention strategies and training curriculum; will train social service agency personnel in the nature, goals and organization of this program; and train in-home caregivers.

**Requirements:** Master's degree in related field and two or more years working in a related healthcare, social service or teaching/education position. Strong skills in program and curriculum development, database entry and word-processing. Must be a self-starter with excellent interpersonal skills, with knowledge and ability to work effectively with community partners, families and individuals from diverse populations.

**Requirements:** Master's degree in Social Work or related field, and 2 or more years working in social service field. This individual should be culturally competent to work with diverse clients and have a commitment to high-quality client service. Must be a self-starter, with excellent interpersonal and relationship-building skills, and an ability to work effectively with community partners. Computer competency in MS Office products-including Word, Access and Excel-is expected. Bi-lingual Spanish/English speaking and writing skills are preferred.

**Compensation:** \$28,500 - 32,250, depending on education, experience and licensure/certification; employer-paid health, dental, long-term disability and life insurance; 403 (b) tax-deferred annuity.

**Compensation:** \$28,500 - 32,250, depending on experience and skills; employer-paid health, dental, long-term disability and life insurance; 403(b) tax-deferred annuity; option of flex time schedule.
