### Certification Process

#### MERC Facility Uniformed Event Security Providers

The Metropolitan Exposition-Recreation Commission (MERC), a subdivision of Metro Regional government, will be processing applications for certification by providers of uniformed event security personnel to users of MERC facilities. Qualified providers of security services will be added to a panel of security firms from which MERC promoters will select security personnel for events at MERC facilities, including the Oregon Convention Center, the Portland Center for the Performing Arts, and the Portland Metropolitan Exposition Center. MERC is interested in hearing from qualified firms that are capable of providing uniformed event security personnel directly to users of MERC facilities. MERC anticipates that it will qualify one or more firms to act as authorized non-exclusive providers of uniformed event security personnel. These firms will be authorized to provide uniformed event security in all MERC facilities for event related security. Firms will be required to obtain and maintain MERC qualified status in order to provide event-related uniformed security to users of MERC facilities. MERC will not guarantee a minimum or maximum number of hours a qualified firm shall work in any MERC facility.

Requests for certification will be processed beginning May 18, 2001. Requests should be sent in writing to: Joe Barrett, MERC Administration, PO Box 2746, Portland, Oregon 97208, or faxed to (503) 731-7870. More information and application materials can be obtained by calling: (503) 731-7839.

A tour of the facilities will be conducted on Monday, May 14, 2001 at 10:00 am Pacific time. Potential providers wishing to participate must be at the MERC Administration Offices at the Oregon Convention Center at 777 NE Martin Luther King Boulevard, Portland, Oregon, 97232.
