Older, Wiser and Wealthier "Fly Girl"

From hard-knocks Philly to glamorous Hollywood, Tracy Ellison has truly walked the walk. Now twenty-eight years old and a major movie star, the original Fly Girl is returning to her East Coast roots.

As Tracy reconnects with friends, she seems on the brink of a happily-ever-after existence. But as she begins to address the uncertainties of her youth, Tracy stirs up a string of difficult questions about past loves, ambivalent family ties and her artistic ambitions. Can attaining success and happiness really be as simple as Tracy makes it look?

Crackling with honesty and passion, "For the Love of Money" is a triumphant continuation of the adventures of one of contemporary fiction's most outrageous young heroines.
