No bid will be considered unless in complete accord with the instructions to bidders, and submitted upon the official bid form provided to prospective bidders (included in the bid documents). Each bid must be accompanied by bid security in the form of a bid bond, for not less than five percent (5%) of the basic bid amount, excluding applicable State of Washington taxes. Bid security shall be forfeited as damages should the Bidder neglect or refuse to enter into a Contract and provide a suitable bond for Performance/Payment for labor and materials.

Fire District 1 reserves the right to reject any or all bids or portions thereof.

George Hooper
Chairman of the Board
Fire District 1

Oregon State University

**Reser Stadium Expansion
Request for Proposals**

Oregon State University (OSU) is seeking proposals from architectural firms interested in providing professional services from the schematic design Phase through the Construction Services Phase to add 10,000 seats to, and partially renovate, Reser Stadium. Reser is an outdoor stadium and home to the 2000 PAC-10 co-champion Oregon State University Beavers. The facility was originally constructed in 1953 and has had periodic renovations and additions, including most recently (1997), the Valley Football Center which houses the football program personnel and training facilities.

The Request for Proposal is the first step in a two-step process to obtain a design consultant to accomplish the design services. The first step will result in development of a short-list of consultants, who will be invited to interview as the second step. The result of those interviews will be the selection of a firm to accomplish the design.

OSU is seeking a professional design team headed by an Architectural firm experienced in Higher Education work. The team should include structural, civil, mechanical and electrical engineers, as well as a landscape architect.

Primary Architectural Firms interested in assembling a design team should respond in writing before close of business, Friday, June 8, 2001. Mail your request for information to Lori Fulton, Manager, Capital Construction Projects, Oregon State University, 100 Adams Hall, Corvallis, Oregon, 97331-2001. Fax requests will be accepted at (541) 737 3724.

OSU is an AA/EEO employer and encourages the submittal of responses from women, minority-owned and emerging small business enterprises.

OSU may reject any response not in compliance with all prescribed public contracting procedures and requirements, and may cancel this solicitation or reject any or all responses upon a finding of OSU it is the public interest to do so.
