## Port of Kalama Notice

### Architectural & Engineering Services

Pursuant to RCW 39.80, the Port of Kalama gives notice of its projected requirements for the period January 1 through December 31, 2004 for the following categories and/or types of professional services:

- Civil/Structural/Mechanical/Electrical.**  
Design and construction supervision of new and rehabilitated buildings for industrial and/or commercial uses including excavation and site preparations; sewage treatment facilities; transportation facilities for ship, road, and railroad including intermodal connections; and warehouses.
  - Planning.**  
Preparation of plans and/or studies concerning the development of marine export/import terminals, industrial parks, bulk material and roro export/import facilities. This includes consideration of various transportation modes including deep-water shipping.
  - Geotechnical.**  
Study and investigation of ground conditions at various industrial sites to determine the desirability and acceptability for facility construction including ground water and soil contamination issues.
  - SEPA/Permitting/Regulatory Compliance.**  
Compliance with SEPA, acquisition of permits in relation to Port developments, and compliance with hazardous materials/waste and underground storage tank laws and regulations.
  - Recreation.**  
Investigation, design, and supervision of: expansion of pedestrian/bicycle pathways, interpretive centers, boardwalks; restaurants, and construction of additional facilities associated with a small boat marina, including additional docking.
  - Hydraulic/Marine.**  
Hydraulic investigations of the Columbia River; study, investigation, and design of facilities related to river projects including but not limited to riprap, construction of docks and wharfs, pilings, ramps, and tie-up and anchorage facilities; evaluation and development of long-term plans for dredge disposal.
  - Environmental.**  
Evaluation, design, preparation, and execution of studies and construction of projects relating to environmental issues including sediment quality, water quality, wetlands, wildlife habitat, and other issues affecting port development.
  - Surveying/Civil.**  
Investigation and preparation of maps, aerial photographs, plats plans, and other work to facilitate the orderly development of the Port.
  - Economic and Marketing Consultant.**  
Perform market research as part of a port marketing plan. Such research shall include economic analysis (business/industry cycles and trends) and market analysis.
  - Many of the above mentioned categories/types overlap within a particular project. The above descriptions are brief and include unmentioned but necessary related aspects of the individual projects.
- All persons wishing to be considered to supply services during the period from January 1 through December 31, 2004 must submit a statement of qualifications as well as a listing of work performed in any of the above-referenced items to the Port of Kalama on or before December 26, 2003. Statements received from previous years will be discarded. All submissions should be made to:

Port of Kalama  
380 West Marine Drive  
Kalama, WA 98625  
(360) 673-2325
