

## Celebrate Black Music Month

### RAHZEL

#### *Rahzel's Greatest Knock Outs*

The undisputed beat box champion of the world and the "Godfather of Noyze" has re-defined the beat box. A self-defined "vocal percussionist," Rahzel has perfectly mastered this quintessential hip-hop art form and has emerged as a "true virtuoso." Rahzel does not play an instrument. He is the instrument. To hear him is to be converted. Rahzel is best known as a member of The Roots. He made his solo debut on the CD title *The Fifth Element: Make the Music*. Rahzel now returns with *Rahzels Greatest Knock Outs*, a testimony to his title as "the undisputed beat box champion of the world."

### SAIGON

#### *Warning Shots*

Drawing comparisons to both Biggie and 50 Cent, Saigon has become notorious in the hood for his brutally honest coverage of street life. After serving a seven year prison bid, he launched an all out verbal assault on the mixtape circuit, dropping 3 mixtapes of all original music and freestyling on countless others. With his name rapidly spreading like wildfire, Saigon is well on his way to becoming the next king of hardcore rap.
