Respected Pawn Broker Dead at 88

Louis 'Toby' Tobin

Funeral services were held Tuesday for Louis "Toby" Tobin, a longtime Portland businessman who died Sept. 26, 2004 at the age of 88.

Tobin was born in Portland and served in the 635th Tank Division of the U.S. Army during World War II. Upon his return in 1948, he married Frieda Mudrick and co-founded H&B Jewelry and Loan Company, Portland's oldest pawn broker, where he continued to work until his passing.

He was well known by his many new and longtime customers for his honesty and his respect for people from all walks of life. He opened a second outlet in recent years on Northeast Martin Luther King Jr. Boulevard and showed support for the local community.

An accomplished golfer, Tobin faced discrimination in his early years when many Portland golf clubs refused to allow Jewish play-

Peace Through Negotiation Urged

(AP) — Citing Iraq and the Holy Land, Pope John Paul II is urging the world to stop turning to violence in times of dispute, saying the only way to find peace is through negotiation.

The pontiff has issued calls for a stop to Israeli-Palestinian clashes and he strongly opposed the U.S.-led war in Iraq.

John Paul said dialogue must come instead of confrontation "whether that is in Iraq, where the return to civil peace seems so difficult to establish, in the Holy Land, which is unfortunately marred by an endless conflict

that is fed by reciprocal hate and desire for vengeance, or in other countries scarred by terrorism that cruelly strikes the innocent - wherever violence reveals its horrors and its inability to resolve conflicts."

The pontiff said violence "produces nothing good, only hate, destruction and death."

"I once more urge the international community to take responsibility, to favor a return to reason and negotiation, the only possible solution to conflicts between men, because all peoples have the right to live in serenity and peace," he said.
