## Lincoln, Grant Win in Playoffs

For the first time since 1989, two Portland Interscholastic League teams have advanced to the quarterfinals of the state football championships.

The Lincoln Cardinals secured a win against the Clackamas Cavaliers 31 to 24 in overtime in the second round of the OSAA Class 4A playoffs.

Grant's Generals took Barlow in a 34-28 win in a thrilling game that went into two overtimes in playoffs Friday at Mt. Hood Community College.

Grant advances in the state playoffs against Beaverton in a double-header Friday, Nov. 26 at 5 p.m. at PGE Park. In the second game, top-ranked Jesuit meets Central Catholic at 8:15 p.m.

Lincoln plays Sprague at Sprague High School in Salem at 7:30 p.m. Friday.

## Venue Change for Reign

Just days before the Portland Reign developmental basketball team tipped off its inaugural American Basketball Association season against the Fresno Heatwave, the team changed the site for its home games.

The Reign will play at Warner Pacific College in southeast Portland after a financial shortfall prevented the team from leasing the Oregon Convention Center, according to Mary Liss, the team's founding owner.

Regarding the team's financial bumps, Liss said, "We're a little behind the times with that but we'll be okay."

## Penalty Too Severe for Artest

### Suspension follows melee

(AP) — Indiana Pacers forward Ron Artest said Tuesday he wishes he hadn't gotten into a fight with fans but feels his season-ending suspension was too harsh.

"I don't think it was fair - that many games," Artest said in an interview with NBC's "Today" show. "I respect (NBA Commissioner) David Stern's decisions, but I don't think I should have been out for the whole season."

It was Artest's first national interview since he was suspended for charging into the stands and fighting with fans late in Friday night's game against the Detroit

Pistons in Auburn Hills, a Detroit suburb. The suspension amounts to 72 games in an 82-game season, and means he will lose about \$5 million.

Four other Pacers players were

suspended for shorter periods, including Stephen Jackson (30 games) and Jermaine O'Neal (25 games).

Artest bolted into the stands after being hit by a cup thrown by a spectator, touching off a brawl in which players exchanged punches with fans, who also doused the Pacers with drinks, popcorn, a chair and other debris.

"I wish that situation never happened," Artest said. "It wasn't good at all, for anybody."

"This is the third time that I've been hit with something out of the crowd," said Artest, who claimed he had been struck previously in Detroit and in Cleveland.

No charges had been filed in the brawl, but if any are they most likely would be misdemeanor assault and battery, Oakland County, Mich., prosecutor David Gorcyca said Monday.

The only possible felony charge under consideration would be against the unidentified person who hurled a chair into the crowd, Gorcyca said. Authorities asked the public to help identify that person.

After repeatedly watching footage of the brawl, the prosecutor personally identified John Green - a former neighbor of Gorcyca - as the fan who threw a cup that hit Artest.

Pistons chief executive Tom Wilson said Green will be banned from The Palace.

Part 25. Chiropractic and Fitness: The way to wellness in the eighties

**Q:** I continue to hear that diet and exercising are helpful in maintaining a strong body. But where do I begin? There is so much literature and when I ask my doctor he seems unconcerned. How can I get started?

**A:** A good way to begin is with the basics. Since 1895 Chiropractic has been the leader in teaching the basics of health to our society. Good health must include proper nutrition. A general rule of thumb is that foods high in fiber are best for you. Limit your meats and refined foods as well as alcohol. Get plenty of exercise. For most people it only takes an hour or so a week to stay fit. Walking at a brisk pace with good arm swing is excellent. Rest is paramount. Everyone feels better after a good night's sleep. In Chiropractic, we will often recommend relaxation exercises as well. Have a joyful spirit. Scientists know now that our attitudes actually affect our entire chemistry. Finally, always keep a healthy nervous system. Chiropractic is especially suited for understanding the effect of stress on the nervous system and how to eliminate it. Total fitness can be only a call away and worth so much more than just another pain prescription. Isn't it time you stepped up to safe effective Chiropractic?
