

*I am THE DREAM come true.
When I open my eyes I rise,
Upon the wings
Of Dr. Martin Luther King,
Writing my name across the sky.
Super Me. Mr. Opportunity.
Soaring. Exploring possibilities.
Hero, off the hook. On the books.
Ruling my world as I fly.
Being any and everybody I want to be.
And better yet, free to be me.*

JANUARY 17

Safeway salutes all the boys and girls who have found themselves,
thanks to Dr. King's belief in equality and brotherhood.
