

Author Out With New Book

Cheryl Robinson became a remarkable success story after self-publishing her first two novels, "When I Get Free" and "Memories of Yesterday." Both received stellar reviews on Amazon.com and the Barnes & Noble websites.

New American Library is proud to build upon Robinson's previous accomplishments by republishing Memories of Yesterday under the new title, "If It Ain't One Thing," hoping to bring this spectacular story to an even wider audience.

In "If It Ain't One Thing," Cheryl Robinson

Winona Fairchild, a single mother of two, knows she's made her fair share of mistakes. Life begins to change for the better when she leaves Texas for her hometown of Detroit, Michigan.

Robinson's characters suffer through anger, disappointment and looming troubles yet they eventually triumph over their personal hardships. Robinson wants her readers to reflect on their own lives throughout the story, and to believe in the possibility of a brighter future.

Spring Abounds *with* Nature Walks

PHOTO PROVIDED BY RON KLEIN/METRO REGIONAL PARKS AND GREENSPACES

Metro Regional Parks and Greenspaces of Portland will host a variety of nature walks during the month of April to celebrate the oncoming of spring. The first two will take place on April 9, featuring bird and turtle watching. Admission ranges from free to \$10, depending on the walk. For more information and a schedule, visit www.metro-region.org/parks.
