

For every Portland Police Officer there is a story...

My story...

Captain Dorothy Elmore, School Police

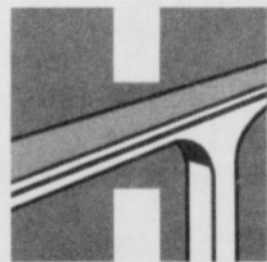

"What attracted me to the Portland Police Bureau are the opportunities that I wouldn't get in a smaller agency. Portland has a diverse community, which allows me to work with and learn from different cultures and different ethnic groups. The Portland Police Bureau offers advancement and varied assignments. It's an excellent agency for anyone who wants to be a part of law enforcement."
