

*I am THE DREAM come true.*

*I am each chapter in our history.*

*I am the protester at the lunch counter.*

*I am the defiant one at the front of the bus.*

*I am the countless millions who have given*

*so much for so many years.*

*Our amazing stories are not yet complete.*

*THE DREAM continues.*

Safeway salutes today's youth who are living the dream thanks to Dr. King's belief in equality and unity.
