**SEARCH FOR AN EARLY HEAD START GRANTEE IN PORTLAND, OREGON**

An Early Head Start program in Portland, Oregon needs a new sponsor. The U.S. Department of Health and Human Services, Administration for Children and Families, is looking for community-minded, community-based organizations — including faith-based organizations — that are interested in operating a quality Early Head Start program that provides comprehensive services to low-income pregnant women and children from birth to age 3. Applicants may be nonprofit or for-profit organizations within the community. The funding available for this program is \$2,903,104. The former grantee, Early Head Start Family Center of Portland, served 226 children and families with these funds. However, it is up to each applicant to propose what it believes to be the maximum number of children it can serve in a high quality Early Head Start program with the total funding available for this effort (including the applicant's proposed matching funds). Information regarding the announcement and the application process, including a pre-application conference call, is available by contacting the ACYF Operations Center at (866) 796-1591, or [hsb@dixongroup.com](mailto:hsb@dixongroup.com). The announcement is also available at [www.grants.gov](http://www.grants.gov) under CFDA 93.600. The due date for receipt of applications under this announcement is June 2, 2006, at 4:30 p.m. eastern time. Selection of a successful Early Head Start applicant will be made in accordance with 45 CFR 1302, Subparts A and B and 45 CFR Part 74. ACF welcomes public comments from parents and area residents. The intent of the public comment is not to solicit support for a specific applicant but to obtain information on the needs of the service area under this announcement. Comments can be sent to the ACYF Operations Center via e-mail or by mailing to: 118 Q Street NE, Washington DC 20002.

## Train Service Personnel UNION PACIFIC

North America's largest railroad is a high tech, Fortune 200 company in a growth mode. This makes us an excellent place to start and grow your career.

Train Service Personnel safely move trains in the yards and over the road. Climb ladders to board freight cars, operate track switches, inspect cars, and use radio communications to control train movements. **This is NOT a typical 40-hour a week opportunity.** Train service employees work full-time; weekends and holidays on an "on call" basis, 24 hours a day, seven days a week. Travel is required and employees may be away from home several days at a time. The ability to work "on-call" is mandatory.

Union Pacific offers a competitive compensation and benefits package. We have numerous opportunities:

- Operations Management Training Program
- Information Technology
- Train Dispatching
- Special Agents/Police
- Diesel Mechanic & Electricians
- Track Maintenance
- Truck Drivers/Hostlers
- Train Service
