STATE OF OREGON

The Oregon Facilities Authority ("Authority") offers tax-exempt financing to qualified Oregon non-profits. The Authority is seeking an Executive Director to manage its administrative affairs. The selected individual or firm will enter into a Personal Services Contract with the State Treasurer and the Authority for an initial term of two years, with three optional annual extensions. Familiarity with tax-exempt bond financing and/or non-profit management is advantageous. Based on past experience, the billable hours should approximate 440 hours per year; however, there is no annual hourly guarantee since the performance required is driven in large part by the number of financing projects submitted by applicants for Authority consideration. Individuals interested in receiving a Request for Proposal ("RFP") should contact:

Office of the State Treasurer, Debt Management Division
350 Winter Street NE, Suite 100,
Salem, Oregon 97301-3896
Attn: Laura Lockwood-McCall
Telephone: (503) 378-4930
Email: DMD@ost.state.or.us
Website: www.ost.state.or.us/news/RFP/index.htm

Proposals must be received no later than 5:00 p.m. Pacific Daylight Time, Thursday, July 6, 2006. Proposals submitted late, emailed or faxed will not be considered.

Water Operations Mechanic Apprentice

Water Operations Mechanic Apprentice work involves the installation and repair of water service lines and mechanisms. Water Operations Mechanic Apprentices have formal apprenticeship status and participate in a structured 6,000-hour program involving classroom instruction, on-the-job training, self-study and job performance. Duties include learning and performing activities related to the full range of functions of the Water Operations Mechanic including installation, repair, and testing of water distribution services, fire hydrants, meters, valves, and other service devices. Initially work is performed under close guidance but increasing independence is granted as employees gain skill and experience during the course of the apprenticeship. On-the-job assignments and supervision are received from a public works supervisor or journeyman mechanic, who reviews work in progress and upon completion for workmanship and for evidence of training progress. Work and training activities on the job generally take place in deep excavations, are characterized by dirty, wet, and extreme weather conditions, and requires the ability to work with a variety of people within a team or crew setting. Classroom instruction outside of working hours is required as part of the program.

Approximate Hourly Salary: \$17.00 - \$23.08

Application deadline is 4:30 pm, Monday, May 05, 2006

SEARCH FOR AN EARLY HEAD START GRANTEE IN PORTLAND, OREGON

An Early Head Start program in Portland, Oregon needs a new sponsor. The U.S. Department of Health and Human Services, Administration for Children and Families, is looking for community-minded, community-based organizations — including faith-based organizations — that are interested in operating a quality Early Head Start program that provides comprehensive services to low-income pregnant women and children from birth to age 3. Applicants may be nonprofit or for-profit organizations within the community. The funding available for this program is \$2,903,104. The former grantee, Early Head Start Family Center of Portland, served 226 children and families with these funds. However, it is up to each applicant to propose what it believes to be the maximum number of children it can serve in a high quality Early Head Start program with the total funding available for this effort (including the applicant's proposed matching funds). Information regarding the announcement and the application process, including a pre-application conference call, is available by contacting the ACYF Operations Center at (866) 796-1591, or hsb@dixongroup.com. The announcement is also available at www.grants.gov under CFDA 93.600. The due date for receipt of applications under this announcement is June 2, 2006, at 4:30 p.m. eastern time. Selection of a successful Early Head Start applicant will be made in accordance with 45 CFR 1302, Subparts A and B and 45 CFR Part 74. ACYF welcomes public comments from parents and area residents. The intent of the public comment is not to solicit support for a specific applicant but to obtain information on the needs of the service area under this announcement. Comments can be sent to the ACYF Operations Center via e-mail or by mailing to: 118 Q Street NE, Washington DC 20002.
