Secrets of the Past

IMAX brings Ancient Greece to life

Today's state-of-the-art technology will transport audiences back in time to the dawn of democracy and the birthplace of Western Civilization in MacGillivray Freeman's new IMAX adventure of discovery, Greece: Secrets of the Past.

Set against the breathtaking, azure vistas of the Greek Isles, the film merges a contemporary archeological detective story with some of the most advanced and painstaking digital re-creations ever undertaken for an IMAX film.

A sweeping archeological journey back in time, the film sets out on a quest to uncover the buried secrets of one of the world's most enlightened societies - ancient Greece - that for 100 years, from approximately 500 B.C. to 400 B.C.,

became the center of human thought and creativity, and laid many of the foundations for the way we live today.

Using the exhilarating science of modern archeology to decipher the past, Greece: Secrets of the Past probes some of the greatest lingering mysteries of this remarkable civilization: How did the Greek empire of some 2,500 years ago flourish so fantastically? What was life like in the Golden Age of ancient Greece? And why did it suddenly fall?

Helping bring these questions into contemporary focus with her trademark wit and style is the film's narrator, Greek-American Nia Vardalos, the writer and star of the runaway hit feature, My Big Fat

The architecture of ancient Greece.

Greek Wedding.

Portland's OMNIMAX theater is located at The Oregon Museum of Science and Industry (OMSI), 1945 S.E. Water Ave. With a five-story domed screen and a 30-degree seating platform, the

OMNIMAX Dome Theater launches viewers into the midst of a cinematic experience unlike any other theater in the Portland metropolitan area.

Get more information at 503-797-4640 or www.omsimuseum.edu/omnimax.

"My music is homegrown from the garden of New Orleans. Music is everything to me short of breathing. Music also has a role to lift you up—not to be escapist but to take you out of misery."
Allen Toussaint
