The McMenamins are also hosting an enhanced part of Good in the Neighborhood - the kick-off party, from 5:30 to 10 p.m. on Thursday, June 22 at Kennedy School, 5736 N.E. 33rd Ave. Enjoy dancing and music by the Ben Fowler Quintet and Moment's Notice.

Admission to all events is free, while a portion of receipts for food and drink will help finance the festival.

The celebration has grown since it origins as 'Good in the Hood' at Holy Redeemer Area School.

"Being at King School better reflects the neighborhood around us," organizer Sheryl Roberts says. "It has become a richer multi-cultural event."

JUMP ON IT.

PDC can give you a JumpStart into homeownership, while making your payments affordable.

JumpStart is a tool to help first-time homebuyers increase their buying power by temporarily lowering the payment on their first mortgage. This enables you to purchase and renovate a home today, that you might otherwise have to delay.

Incorporating in Portland's Future

JumpStart is a second mortgage used in combination with a PDC Purchase and Renovation first mortgage. PDC places the proceeds from the JumpStart loan in a secured account. Each month, money is withdrawn from this account and added to your temporarily reduced first mortgage payment to make the full payment on the first mortgage. Over the next four years, your first mortgage payments gradually increase. At the beginning of the fifth year the JumpStart assistance ends and you begin making the full payment on the first mortgage.
