Vol. 12 Issue 3

June/July 2006

FEATURES

10 Energy Independence - NOW

Written By Mary M. Chapman

Senator Barack Obama (D-Ill.) goes on record, demanding our nation take immediate steps to defend our national security - by achieving energy independence.

17 Action Hero or Matinee Idol?

Written by Lyndon Conrad Bell & Arv Voss

BMW 750i and Mercedes-Benz S550 represent the pinnacle of German automotive engineering. Which one is the right one for you? Bell and Voss find out.

20 Celebrity by Association

Written By Mary M. Chapman

Yes, some cars do make you feel like stars and that's not a coincidence. In fact, it's exactly how the automotive industry planned it.

24 Twinkle, Twinkle Baby

Written By Arv Voss

Cross a cruiser with a tourer and you'll get a brand new Star...the Star Stratoliner Cruiser Tourer motorcycle, that is.
