

# BLACK HISTORY MONTH

## Black History Coloring

Martin Luther King Jr.

## Sharing a History

A new book is defining the African Diaspora as a global aggregate of actors and sub-populations, differentiated in social and geographical space, yet exhibiting a connectedness based on a shared history of common experiences.

"Routes of Passage: Rethinking the African Diaspora" provides a conceptual, substantive and empirical orientation to the study of global Africa.

Author Ruth Simms Hamilton carefully researched historical and cultural knowledge of the relocation of people from the African continent and their influence in Europe, Asia, the Americas and the Middle East.

"Routes of Passage" written by Ruth Simms Hamilton
