PUBLIC NOTICE

The City of Portland proposes to amend its Consolidated Plan Action Plan 2005-06 and 2006-07 as follows:

(a) To provide local leverage for the federal HOPE VI grant to the Housing Authority of Portland to redevelop the Iris Court housing complex into Humboldt Gardens, a mixed income housing development with both public housing and homeownership components, BHCD proposes to allocate \$563,000 (CDBG) to the acquisition of the former State of Oregon parking lot property located at the NW corner of N. Vancouver Ave & N. Alberta Street, adjacent to Humboldt Gardens, and \$437,000 (CDBG) to street improvements at Humboldt Gardens. \$500,000 (CDBG) will come from the balance remaining in the Capital Projects Activity in Action Plan 2006-07. The remaining \$500,000 has been allocated in Action Plan FY 2007-08, Iris Court Hope VI Match.

(b) Action Plan 2006-07 allocated \$35,750 (\$25,750 CDBG and \$10,000 EPA Lead Grant) to the Fair Housing Council of Oregon (FHCO) for Landlord Outreach Operations, for city-wide housing health, access and stabilization services. BHCD proposes to increase that contract by \$16,024 (CDBG), to a total of \$51,774. The source of funds is the unspent balance from the FHCO activity Landlord Outreach Operations in FY 2005-06.

(c) Add three new activities:

- (1) Contract with Bowman Internet Systems for FY 2006-07 in the amount of \$32,205 (CDBG), to purchase Community Point Software, a web-based housing-related social services database that the general public can access city-wide on the Housing Connections web site (21D, low/mod benefit). The sources of the funds are unspent balances from two FY 2005-06 Action Plan activities: \$15,989 (CDBG), from Housing Connections operations, and \$16,216 (CDBG) from PDC Loan Servicing/Asset Management activity.
- (2) Contract with City of Portland Bureau of Technology Services in the amount of \$44,216 (CDBG), to host the Housing Connections web site (21D, low/mod benefit, city-wide). The source of the funds is the unspent balance in the FY 2005-06 PDC loan servicing/asset management activity.
- (3) Contract with City of Portland Bureau of Technology Services in the amount of \$21,375 for upgrades to the Housing Connections web site (21D, low/mod benefit, city-wide). The source of the funds is program income (carry-over from royalties received in FY 2005-06 for licensing of Housing Connections): \$13,714 (CDBG program income) and \$2,769 (HOME program income).
