Humor of Biblical Proportions

Steve Carell stars with Academy Award winner Morgan Freeman and comedian Wanda Sykes in *Evan Almighty*, opening in theaters this weekend.

Carell plays Evan Baxter, newly elected to Congress, who leaves Buffalo behind and shepherds his family to suburban northern Virginia. Once there, his life gets turned upside-down when God (Freeman) appears and mysteriously commands him to build an ark. Sykes plays Evan's administrative assistant, who confronts his unorthodox transformation to a Holy Man. The change has befuddled his family, who just can't decide whether Evan is having an extraordinary mid-life crisis or is truly onto something of Biblical proportions.

"Evan Almighty" opens in theaters this weekend and stars Steve Carell, Morgan Freeman and Wanda Sykes.
