TriMet Hearing Notice

Tri-County Metropolitan Transportation District of Oregon ("TriMet") is in the process of issuing its Disadvantaged Business Enterprise (DBE) Program Plan for FY 2007-2008.

TriMet is seeking feedback on its DBE program regarding contracting opportunities and potential barriers for DBEs.

A public hearing will be held at 710 NE Holladay St. in Portland on September 21 from 10a.m.-Noon. The meeting room is accessible.

The plan can be reviewed weekdays from August 28 to September 28, 2007 between 8 a.m. - 5 p.m. at:

710 NE Holladay St. 4012 SE 17th Ave.
Portland, OR 97232 Portland, OR 97202

Send written comments to Bruce M. Watts, TriMet's Diversity and Transit Equity Senior Director, at 710 NE Holladay St., Portland, OR 97232 or to comments@trimet.org. Comments will be accepted through October 15, 2007.

For alternative formats, call 503-962-2213 or TTY 503-238-5811.

Library Director

\$5106 - \$7318/mo (Salary under review) Excellent management benefit package provided.

The City of West Linn seeks a dynamic, proven administrator to lead the Library. Serving as a member of the City's management team and reporting directly to the City Manager, the Library Director is responsible for overall supervision of library services; strategic planning, preparation and management of a \$1.8 million budget; direction and leadership of 15.5 FTE and representing the library to the city and citizens of West Linn and Clackamas County.

The successful candidate will have an MLS and four years of post MLS public library experience, with a minimum three years of progressively responsible library administrative experience. Candidate must possess excellent communication skills to inspire and motivate. Requires demonstrable commitment to a teamwork approach to management and developing community partnerships. This position requires an abundance of energy, a sense of humor and the ability to consider innovative approaches and build consensus on difficult issues. (See position description for specific duties and responsibilities.) *Successful candidate must pass pre-employment drug screen and thorough background/reference check.*

Qualified applicants must submit a completed City of West Linn employment application and Resume to the Department of Human Resources, at West Linn City Hall, 22500 Salamo Road, West Linn, OR 97068, by September 17, 2007, 4:00 p.m. Application packets are available at West Linn City Hall or call (503) 657-0331. Director of New Student Programs

Portland State University is proud to be the largest and most diverse public university in Oregon. Faculty and staff at Portland State enjoy an environment that is recognized for its community involvement, diversity and vibrant urban location.

This position will work closely with other offices and academic departments to meet enrollment objectives. The primary responsibilities of this position involve management of the admissions counseling team and their recruitment and outreach efforts as well as campus visitation programs and prospective student communications plans. In addition, the Director of New Student Programs will oversee New Student Orientation and Undergraduate University Scholarship.

The Director of New Student Programs is instrumental in planning comprehensive enrollment management initiatives for Portland State University. The director is responsible for the overall successful operation of undergraduate recruitment, new student orientation and the general university scholarship fund and leads a dynamic, energetic team that supports the established enrollment goals for diversity.

REFINERY PROCESS ENGINEER Kenai, Alaska

Tesoro Corporation is a dynamic growing company in the business that keeps the world running: Energy. We refine, distribute and market petroleum products in Alaska, Hawaii, and the western states. Tesoro Alaska Company, a wholly owned subsidiary of Tesoro Corporation, is engaged in the refining and marketing of petroleum products throughout the state of Alaska. We are currently seeking to fill the position of Process Engineer at our refinery in Kenai, Alaska. Our refinery, one of the largest and most complex in Alaska, currently has a crude capacity of 72,000 barrels per day. Refinery operations include Hydrocracking, Amine, LPG, Reformer, Crude, Vacuum, Isomerization, Sulfur, Hydrogen Units and Diesel Desulfurization Units.

The ideal candidate will possess a BS in Chemical Engineering with a minimum of five years of increasingly responsible related experience working in the petroleum refining or petrochemical industry. Responsibilities will include:

- Broad range of process engineering activities (including safety and environmental responsibilities)
- Monitoring and troubleshooting assigned units for optimal performance
- Maintaining process targets and assisting with startups and shutdowns
- Evaluating process improvements, developing incentives and economical justification of projects

Tesoro Alaska offers an excellent compensation and benefits package plus the opportunity for career challenge. For confidential consideration, please forward or fax your resume to:
