Portland Development Commission, 222 NW 5th Ave.,  
Portland, OR 97209  
Jobline: 503.823.3463

### REQUEST FOR PROFESSIONAL SERVICES INTEGRATIVE SCIENCE COMPLEX PHASE 2, UNIVERSITY OF OREGON

The University of Oregon is soliciting qualifications from architectural firms interested in providing design and construction administration services for the Integrative Science Complex Phase 2 at the University of Oregon in Eugene, Oregon.

Briefly, the work as currently envisioned consists of an anticipated Phase 2 building connected to our recently completed ISC Phase 1 (Lorry I. Lokey Laboratories) project but also planning and renovation of existing spaces, as well as planning for the next phase of expansion (ISC Phase 3). The initial scope of work with the design team will carry this broad vision forward, in particular through the construction of the ISC Phase 2 building, with the possible addition of renovations of existing spaces.

Architectural firms responding to the Request for Qualifications (RFQ) must have their primary office location in Oregon.

Firms may obtain the RFQ by registering electronically at the following web address:

<http://uplan.uoregon.edu/ArchSelect/ISC2form.html>  
or may phone or write to:

Campus Planning and Real Estate  
1276 University of Oregon  
Eugene, OR 97403-1276  
Telephone: (541) 346-5562

Submissions of qualifications must be received in the UO's Campus Planning and Real Estate office by 4:00 P.M. PDT, Tuesday, October 21, 2008.

The University of Oregon is an Affirmative Action/Equal Opportunity institution committed to cultural diversity and compliance with the Americans with Disabilities Act.

## Speak up on Transportation!

Help shape local, regional and statewide transportation funding decisions for the next four years.

Metro and the Oregon Department of Transportation invite you to comment on proposed transportation projects in the Portland metropolitan region at any one of four public meetings in October. Metro is seeking public input on the regional flexible fund allocations, and ODOT is seeking public comment on the Statewide Transportation Improvement Program.

At these meetings you may:

- testify before elected officials and submit written comments on projects and programs eligible for regional flexible fund allocations
- testify before ODOT officials on the Region 1 Statewide Transportation Improvement Program
- get more information about a range of regional planning programs from roads to highways to transit and land-use planning
- talk with technical staff
