The Portland Trail Blazers have made local talent O.G. One their official DJ.

The public is invited to come out and celebrate O.G.'s new accomplishment at a "Premiere Party" with a host of celebrity friends and fans on Saturday, Nov. 8 at Aura Nightclub, 1022 W. Burnside.

This upscale event given by the Black Bottom Agency, Red Carpet Entertainment, Portland Trail Blazers, Brand Jordan, Toyota Scion, and the Bumsquad DJ

Crew is expected to get national attention with Source Magazine present to do a story on the honored DJ.

This upcoming basketball season is expected to be a great year for the Blazers as well as for O.G. who is excited about what he can deliver to the fans and the inspiration he can give to the players.

O.G. has already put his stamp in his game, standing aside the likes of P. Diddy, 50 Cent, Jay Z, Michael Jordan, Jamie Foxx, Slim of 112 and many more.

Portland Opera Presents a Classic

Portland Opera presents Beethoven's first and only opera, *Fidelio*, a classic rescue story with breathtaking last-minute liberation. Performances open Friday, Nov. 7 at Keller Auditorium with additional performances on Sunday, Nov. 9 and Thursday, Nov. 13 and Friday, Nov. 15.

Fidelio is considered a work of great beauty and signification, composed when Beethoven was facing the agonies of losing his hearing and when he longed to free himself from the cage of deafness.

The work identifies strongly with the ideas of faith, determination and the reward of patience during a period of personal crisis. *Fidelio*'s score is a tribute to freedom, fidelity and the indomitable human spirit.

For tickets, call the Portland Opera Box Office at 503-241-1802 or visit portlandopera.org.

American bass Arthur Woodley distinguishes himself as Rocco in Beethoven's first and only opera, *Fidelio*.

Beyonce's Alter Ego: 'Sasha Fierce'

(AP) -- Beyonce Knowles would like to be known by a bold new name.

The R&B singer has christened herself "Sasha Fierce" for her new double album, "I Am ... Sasha Fierce" which will hit stores on Nov. 18.

"I have someone else that takes over when it's time for me to work and when I'm on stage, this alter ego that I've created that kind of protects me and who I really am," the former Destiny's Child front woman said.

"Sasha Fierce is the fun, more sensual, more aggressive, more outspoken side and more glamorous side that comes out when I'm working and when I'm on the stage," she said.

Beyonce released her previous solo album, "B'Day," to coincide with her 25th birthday in September 2006. It debuted at No. 1 on the U.S. pop chart and yielded the No. 1 single "Irreplaceable."
