

Vanport Square opened in January 2008 and features 14 local businesses – each of which owns their space. The project recently achieved Leadership in Energy and Environmental Design (LEED) Gold certification for its environmentally sustainable construction. The project was developed by Vanport Partners, LLC and was jointly funded by PDC and the Portland Family of Funds.

The Portland Development Commission believes that economic opportunity should be shared throughout the community. PDC is committed to working with its partners to increase minority home ownership, to create opportunities for minority-owned, women-owned, and emerging small businesses, and to value employee diversity.
