**OREGON ZOO**

**PENGUIN LIFE SUPPORT SYSTEM UPGRADE  
RFP# 10-1558-200**

The **Oregon Zoo**, a Division of Metro, a metropolitan service district organized under the laws of the State of Oregon and the Metro Charter, located at 600 NE Grand Avenue, Portland, OR 97232-2736, is **requesting proposals from qualified Architectural and Engineering firms (including Life Support Systems engineers) for the Penguin Filtration Life Support System Upgrade. Proposals will be due no later than 2:00 p.m., Thursday, December 3, 2009** in the Zoo's Construction / Maintenance offices at 4001 SW Canyon Rd, Portland, OR 97221, Attention: Lee Campbell, Oregon Zoo Project Manager. Details concerning the project and proposal are contained in this document.

A Pre-Proposal Conference and site tour will be held 10:00 a.m. on Tuesday, November 10, 2009, at the Oregon Zoo (address above). It is strongly encouraged for a representative from each team to attend this meeting. Attendance of a consultant team member, at this meeting is worth ten points in the Proposal Evaluation.

Interested parties are asked to contact the project manager, prior to Tuesday, November 10, 2009, to verify intent to attend and to receive directions.

Enter the Gate A (Employee Entrance) and go to the Construction / Maintenance Office

**A PROPOSAL IS REQUESTED FOR:**

- 1) Schematic Design of Penguin Filtration / Life Support System
- 2) Design Development, including life support system, architectural, structural, electrical, civil and geotechnical elements (as necessary)
- 3) Construction Documents;
- 4) Cost Estimating;
- 5) City of Portland reviews associated with construction permits;
- 6) Bid Process support;
- 7) Construction Administration support, including system start-up.

Please contact the Project Manager, Lee Campbell, with intent to attend the Pre-Proposal Conference (and with any questions): [Lee.Campbell@oregonzoo.org](mailto:Lee.Campbell@oregonzoo.org) or (503) 220-2794

Metro Code provisions 2.04.100 and 200 require all Bidders to follow and document a specific good faith outreach effort to State certified Minority, Emerging and Women-owned Businesses. Certification of good faith compliance and a declaration of any actual utilization pursuant to both programs are required at the time of Bid Opening.

Metro reserves the right to reject all Bids or any Bids not conforming to the intent and purpose of the Contract Documents, to reject for good cause any and all Bids upon a finding of Metro that it is in the public interest to do so or to waive any informality or irregularity in any Bid or Bids. Metro further reserves the right to award the Contract at any time within sixty (60) days following the Bid opening date.

Metro and its contractors will not discriminate against any person(s) based on race, color, national origin, sex, sexual orientation, age, religion, physical handicap, political affiliation or marital status.

Metro extends equal opportunity to all persons and specifically encourages minority and women-owned businesses to access and participate in this and all Metro projects, programs and services.

**Multnomah County**

The Department of Community Justice is currently accepting applications for the **CSEC (Commercial Sexual Exploitation of Children) Collaboration Specialist, recruitment #6088-33**. This three-year project will improve local capacity to address issues surrounding the CSEC in Multnomah County. The project will address the following: recognize exploited youth and youth at risk for exploitation; effectively investigate and prosecute cases against adults who exploit children and youth; and intervene appropriately with and compassionately serve victims, including providing essential services. This position will oversee the project including the program development, planning, coordination, administration, and implementation.

**Apply by November 6, 2009.**

For more information about these positions, including application materials, please visit our website at [www.multcojobs.org](http://www.multcojobs.org) or call 503-988-5035.

Multnomah County is actively recruiting persons from diverse backgrounds to enhance service delivery to our diverse community. Our commitment to exceptional customer service relies upon a team-oriented workplace and a continuous quality improvement environment. An Equal Opportunity Employer.

**CALL FOR BIDS**

**CITY OF CAMAS**

**WASTEWATER TREATMENT FACILITIES  
IMPROVEMENTS - PHASE 2  
ENGINEER'S ESTIMATE \$17,700,000.00**

Sealed Proposals will be received by the undersigned at the City of Camas, 616 NE 4th Avenue, Camas, Washington 98607, until 10:00 a.m.; local time on Thursday, December 10, 2009, and will then and there be publicly read for furnishing the necessary labor, materials, equipment, tools, and guarantees thereof to construct the Wastewater Treatment Facilities Improvements - Phase 2.

The project includes construction of the Camas Wastewater Facilities Improvements (WWTF) - Phase 2 including the following: Main Plant Pump Station modifications to include expansion of the existing wet well and the installation of a new wastewater grinder. Headworks modifications to include the installation of a new influent fine screen. Installation of a new primary clarifier scum pump in an existing wet well. Aeration basin modifications to include modifications to the existing internal walls and installation of new fine bubble diffusers. UV Disinfection building modifications to include the installation of a new bank of UV lights and a new non-potable water pump. Gravity thickener modifications to include the installation of a new non-potable water line and flow meter. Modification of the existing Aerobic Digester No. 2 to Septage/Centrate/WAS Storage Tanks complete with new positive displacement aeration blowers and pumping equipment. Equipment Building modifications to include the installation of a new aeration basin blower, new aeration system instrumentation and controls, new thickener feed pumps, a new scum concentrator pump, and flow meters. Construct a new Biofilter No. 2. Modification of the existing Sludge Storage Building to a Biosolids Drying Building to include the installation of new Biosolids Drying System. The Contractor shall be assigned the portions of the executed Contract titled Procurement of Biosolids Drying System Supply and Services, for the following items as Specified in the Contract: Equipment Supply, Construction Services, and Post Construction Services. The executed Procurement of Biosolids Drying System Supply and Services Contract is attached to the WWTF Improvements - Phase 2 Contract Documents as Appendix B. Construct two new anaerobic digesters and one digested sludge holding tank including the installation of the digester covers and digester draft tube mixers. Construct the new digester building adjacent to the anaerobic digesters and sludge holding tank, which shall include the installation of a rotary sludge thickener, digester heating equipment, a thickening polymer feed system and associated polymer pump, digester recirculation pumps, sludge pumps, a digester gas compressor, digester gas handling equipment, biofilter fan, and motor control centers. Modifications to the existing effluent outfall in the Columbia River to include modification of 16 existing diffuser pipes.

The Work shall be substantially complete within 520 working days after the commencement date stated in the Notice to Proceed. All bidding and construction is to be performed in compliance with the Contract Provisions and Contract Plans for this project and any addenda issued thereto that are on file at the office of the City Hall in the

City of Camas, Washington.

The Proposals will be publicly opened and read aloud shortly after the time and date stated above. Proposals are to be submitted only on the form provided with the Contract Provisions. All Proposals must be accompanied by a certified check, cashiers check, money order, or bid bond payable to the "City of Camas" and in an amount of not less than five percent (5%) of the total amount bid.

Contract Provisions and Contract Plans may be **examined** at the office of the City of Camas, local plan centers in the project area, or the office of the Project Engineer, Gray & Osborne, Inc., (Seattle at 701 Dexter Avenue North, Suite 200, Yakima at 107 South 3rd Street or Olympia at 2102 Carriage Drive SW, Bldg. 1). A copy of the Contract Provisions and Contract Plans may be **obtained**, free of charge, in electronic format (PDF on compact disk(s)) along with registration as a planholder **only** at the **Seattle** office of the Project Engineer, Gray & Osborne, Inc., 701 Dexter Avenue North, Suite 200, Seattle, WA 98109, (206) 284-0860. Registration as a planholder **is required** to obtain Contract Addenda. A list of planholders will be made available, by request, through the Project Engineer's office, via the U.S. mail.

A Prebid Conference is scheduled for Thursday, November 19, 2009. The conference will begin at the City Hall at 10:00 a.m. (local time) and conclude at the existing wastewater treatment facility. Prospective bidders are encouraged to participate. Any other site visits shall be scheduled in advance with Mr. Jim Dickinson, and shall be limited to 10:00 a.m. to 4:00 p.m., Monday through Friday. Jim Dickinson may be reached by calling (360) 834 3263, at least 48 hours in advance of the proposed site visit. No unauthorized visits or unscheduled visits will be allowed.

Financing of the Project has been provided by City of Camas, Washington, Washington State Public Works Trust Fund and State Revolving Fund. Neither the State of Washington nor any of its departments or employees are, or shall be, a party to any contract or any subcontract resulting from this solicitation of bids. The City of Camas expressly reserves the right to reject any or all Proposals and to waive minor irregularities or informalities and to Award the Project to the lowest responsive, responsible bidder as it best serves the interests of the City.

In an effort to maximize the creation of American jobs and restoring economic growth, the City of Camas encourages the use of products and services that are made in the United States of America whenever and wherever possible.

The City of Camas encourages the solicitation and recruitment, to the extent possible, of certified minority-owned (MBE), women-owned (WBE), and emerging small businesses in construction of this project.

As provided by Title VI of the Civil Rights Act of 1964, and the Civil Rights Restoration Act of 1987, the Contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, sex or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment.

**Questions should be directed to Project Engineer, Eric Nutting at (206) 284-0860.**
