Unity in the Community

As Pastor of Northwest Voice for Christ Ministries and President of the Portland Branch NAACP, I proclaim a supportive voice to the position of the Albina Ministerial Alliance in regard to the recent action of the Portland police officer Humphrey. It is the contention of this office that the actions taken by this individual who was sworn in for community service was excessive and beyond imagination. The restraining action taken against a 12-year-old girl (of all people) is unimaginable.

In no way does this office condone resisting arrest, nor do we find the misbehavior employed in this instance acceptable. It might have been just as effective to use the old "swarm technique" as oppose to the "shotgun and bean bag" strategy. We noticed that one officer referred to this reprehensible action as just "doing our job". Maybe the Portland Police department needs to become familiar with the difference between "moose and man", that is, animal and human takedowns.

Allow me to reiterate that abuse by public servants is not now or ever will be acceptable. Let it be known that Northwest Voice for Christ and the Portland NAACP join in chorus with the Albina Ministerial Alliance.
