

Helpers Needed for MLK Day

Martin Luther King Jr. Day is an ideal occasion to volunteer for community service and SnowCap Community Charities is setting aside Monday, Jan. 18 for special helpers.

"We know many people in our community would like to celebrate Dr. King's life and cause with a day of service," says Judy Alley, SnowCap executive director.

The work on that day is varied, she adds.

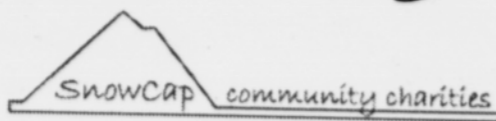

"People are needed to sort food, make soup mix, work in our garden, paint, clean and perform light office work," she

says.

Two-hour and four-hour shifts are available.

Prospective volunteers should contact Kari James, volunteer coordinator, at 503-674-8785, extension 38 or email kari@snowcap.org.

SnowCap Community Services is a philanthropic organization created to provide food, clothing, advocacy and other services to the poor in a large part of east Portland, including Gresham, Wood Village, Troutdale and Fairview.
