**Position Announcement for PHP Developer/Research Assistant
Educational and Community Supports
University of Oregon**

Educational and Community Supports is an autonomous research institute within the College of Education at the University of Oregon. Our innovative behavioral research is the foundation for applications and training programs that help schools create and maintain healthy learning environments and help children through early diagnosis of cognitive and behavioral problems. ECS is a leader in providing scientifically validated systems that schools can use to promote the self-development and maximize the learning potential of students. Development at ECS blends cutting-edge research and a well-established and trusted educational service mission with sophisticated software and database architectures and development tools. We offer a flexible, supportive, family-friendly work environment in a stimulating academic setting. The behavior support and educational survey data accumulated by our applications constitutes one of the largest educational research databases of its kind. Our applications and services are used by over 8,000 schools throughout the United States.

Qualifications: Bachelor's degree required; 2+ years PHP development experience; 2+ years experience with Javascript, CSS, AJAX, and HTML; skill in database modeling and design using SQL Server or MySQL; excellent oral and written communication skills; ability to work successfully within project workgroups and independently; strong analytical and problem-solving skills.

For complete position announcement please see the University of Oregon Jobs Website at <http://hr.uoregon.edu/jobs>. We invite applications from qualified applicants who share our commitment to diversity. Benefits are excellent including fully paid health and retirement plans, reduced University tuition, access to a wide array of recreation services, and live in a green city. Position is subject to criminal background check. Mail letter of interest, vita and names of three professional references to: Educational and Community Supports, Attn: P. Phillips, 1235 University of Oregon, Eugene, OR 97403-1235. Review of applications will begin on June 14, 2010 and position will remain open until filled. To ensure full consideration application materials should be received by June 14, 2010.

The University of Oregon is an Equal Opportunity/Affirmative Action Employer committed to Cultural Diversity and compliance with the Americans with Disabilities Act.
