Green Crafters Host Sale

Find the perfect holiday gift made by local, green artists and crafters at Trillium Artisans, a nonprofit business that supports local artisans who keep landfills free by working with recycled and reclaimed materials.

On Saturday, Nov. 13 from 10 a.m. to 3 p.m., Trillium will host their annual Holiday Sale and Open House at 9119 S.E. Foster Rd.

Many of the artisans will attend the event, so shoppers will have the opportunity to talk about the back story of their holiday gifts with the makers — including how the artisans incorporate recycled materials into their creations. Customers also will get to enjoy wine and snacks, and a 20 percent discount off of their entire purchase.

Trillium's 50 artisans make a wide range of products for everyone on a shopper's list including jewelry made from cast-off metal parts, vinyl records and bike tires; vintage-style aprons; handbags; wallets made from lawn-chair webbing; sporty hats; etched glassware; garden décor; leather hair clips; pet toys and much more.

A sporty hat made from recycled materials is one of the many green products shoppers will find at the Trillium Artisans' Holiday Sale and Open House.
