The smash Broadway revival of 'Hair,' comes to Keller Auditorium, Tuesday, Dec. 28 through Sunday, Jan. 2.

## Love-Rock Musical Revival

'Hair' depicts birth of cultural movement

The 2009 Tony Award Winning Musical Revival 'HAIR: The American Tribal Love-Rock Musical,' will play Keller Auditorium for a limited engagement beginning Tuesday, Dec. 28 with shows continuing through Sunday, Jan. 2.

With a score including such en-

during musical numbers as "Let the Sun Shine In," "Aquarius," "Hair" and "Good Morning Starshine," HAIR depicts the birth of a cultural movement in the 60's and 70's that changed America forever.

The musical follows a group of hopeful, free-spirited young people who advocate a lifestyle of pacifism and free-love in a society riddled with intolerance and brutality during the Vietnam War. As they explore sexual identity, challenge racism, experiment with drugs and burn

draft cards, the show resonates with an irresistible message of hope more than 40 years after it first opened on Broadway.

HAIR won the 2009 Tony Award for Best Musical Revival as well as the Drama Desk, Drama League, and Outer Critics Circle award for Outstanding Revival of a Musical. The HAIR cast recording was also nominated for a Grammy Award for Best Musical Show Album.
