

Celebrate King at Roosevelt

Community participation encouraged by School

The Roosevelt Community-Village is being invited to Roosevelt High School on Friday, Jan. 14 at 2:10 p.m. in the school gymnasium to participate in a celebration of Martin Luther King Jr. The theme is "Spreading Global Love."

Students and staff would appreciate area residents to join them if you can fit this date and time into your busy schedule. The presence of community backers of Roosevelt speaks volumes to the students and staff. Roosevelt supporters say it is essential for Roosevelt students to continually have representation from the entire community at their special events--to show students that everyone can and will be successful.

When you arrive, check in at the Main Office and you will be escorted to the Hospitality room. You will then have designated seating during the one hour assembly. It would be helpful to arrive 10-15 minutes early if at all possible.

"I have a dream that one day this nation will rise up and live out the true meaning of its creed: "We hold these truths to be self-evident: that all men are created equal.
