## Home Depot Helps Bethel Church

Bethel African Methodist Episcopal Church in northeast Portland is thanking Home Depot for its generosity in donating materials and labor to remodel the church's women's restroom.

The gift was inspired by the non-profit Economic Development Cooperation that operates out of Bethel. Home Depot recognized that the EDC provides community outreach through various programs in

the community.

The upgrade makes the restroom accessible to people with disabilities to fulfill requirements of the American with Disabilities Act.

Bethel members Bill and Paige Walker where approached by an employee of the Home Depot to assist them in sourcing and pricing the materials. After hearing of the needs of the remodel, the store representative said he knew that Home

Depot could provide more than great advice and materials and connected them with a store manager and designer.

Home Depot organized a team of volunteers to plan and remodel the bathroom. Home Depot also donated the materials needed to resize, replace and beautify the bathroom. The volunteers and church members worked together over three days to complete the remodel.

## Eighty Eight Keys Needs Volunteers

The Eighty Eight Keys foundation is looking for volunteers to serve on two boards, one for its music award program and the other a student musician help group.

The non-profit foundation has served the Portland community for over 20 years by supporting local performing artists through a public awards ceremony and empowering youth with education and instrument scholarships.

The music award program "An

Evening of Eighty-Eight Keys" is designed to honor those who work in the areas of sacred music and to be a life changing experience for young people. Students, participants, and audience members come from all cultures and economic backgrounds to enjoy a formal evening of quality entertainment and exposure to an important cultural heritage.

The mission of the "Musicians Make Better Students" program is

to give children attending schools without music programs in our community the opportunity to play music in a structured after-school environment.

Serious applicants who can make a difference to the organizations through fundraising, education and strategic planning are encouraged to apply by emailing their resume' to ptolbert@ctoregon.org . For more information, call John Tolbert at 503-490-4344.

### Remembrance: "Dad"

We thought of you  
With love today,

But that is nothing new.

We thought about you yesterday,  
And the days before that, too.

We think of you in silence,

We often speak your name.

Now all we have is your memories,  
And your picture in a frame.

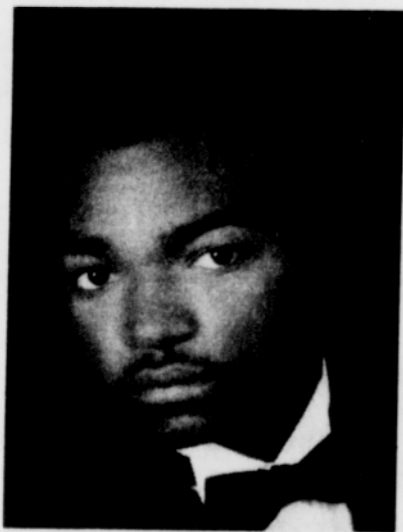

Your memory is our keepsake,

With which we'll never part.

God has you in His keeping,

We have you in our heart.
