Gloria Kelsey

75 and Alive!

Gloria Kelsey celebrated her 75th birthday in style on July 23 with flowers and a ride of her life.

The local resident told her family and friends that she would rather have flowers while she's alive, so those closest to her wished her a happy birthday by showering her with beautiful bouquets.

She got "the ride of her life" when she happily accepted an invitation to hop on board her neighbor's motorcycle for a birthday cruise around town.

Happy birthday Gloria and thank you for reminding us; youth has no age.
