Position Mission: The purpose of this position is to represent Multnomah in the recruiting of new students to attend the University and to give information to other groups and organizations about Multnomah. The Admissions Counselor works closely with applicants and other staff members to manage and complete the application process, including the review of admission files, and to assist students in enrolling. The ultimate purpose of this position is to ensure that Multnomah enrolls new students who are a good fit with the college, in sufficient numbers to meet institutional goals.
